"SEC. 705. (a) Subject to appropriations, other applicable law, and the requirements of the National Forest Management Act of 1976 (Public Law 94-588), except as provided in subsection (d) of this section, the Secretary shall, to the extent consistent with providing for the multiple use and sustained yield of all renewable forest resources, seek to provide a supply of timber from the Tongass National Forest which (1) meets the annual market demand for timber from such forest and (2) meets the market demand from such forest for each planning cycle.".

SEC. 102. IDENTIFICATION OF LANDS UNSUITABLE FOR TIMBER PRODUCTION.

ANILCA is further amended by deleting section 705(d) (16 U.S.C. 539d(d)) in its entirety and inserting in lieu thereof:

"(d) All provisions of section 6(k) of the National Forest Management Act of 1976 (16 U.S.C. 1604(k)) shall apply to the Tongass National Forest except that the Secretary need not consider economic factors in the identification of lands not suited for timber production.".

SEC. 103. FISHERIES PROTECTION.

(a) Section 705 (16 U.S.C. 539d) of ANILCA is amended by adding at the end thereof the following new subsection:

"(e) In order to assure protection of riparian habitat, the Secretary shall maintain a buffer zone of no less than one hundred feet in width on each side of all Class I streams in the Tongass National Forest, and on those Class II streams which flow directly into a Class I stream, within which commercial timber harvesting shall be prohibited, except where independent national forest timber sales

have already been sold prior to March 1, 1990, or where volume has been released prior to March 1, 1990, to either the Alaska Pulp Corporation or the Ketchikan Pulp Company pursuant to the long-term timber sale contracts numbered 12-11-010-1545 and A10fs-1042 respectively. If such an independent timber sale or released volume is within the buffer zone, the Secretary shall make every effort to relocate such independent sale or released volume to an area outside of the buffer zone. The Secretary shall use best management practices, as defined in the Region 10 Soil and Water Conservation handbook (FSH 2509.22), January 1990, to assure the protection of riparian habitat on streams or portions of streams not protected by such buffer zones. For the purposes of this subsection, the terms 'Class I streams' and 'Class II streams' mean the same as they do in the Region 10 Aquatic Habitat Management Handbook (FSH 2609.24), June 1986.".

(b) No later than one year after the date of enactment of this Act, the Secretary of Agriculture, in consultation with the State of Alaska, the National Marine Fisheries Service, and affected private land owners, shall prepare and transmit to the Congress a study containing recommendations on the need, if any, to standardize riparian management practices for Federal, State, and private lands within the Tongass National Forest. 16 USC 539d note.

TITLE III—MODIFICATION OF LONG-TERM TIMBER SALE CONTRACTS IN SOUTHEAST ALASKA

SEC. 301. CONTRACT MODIFICATIONS.

(a) DEFINITIONS.—As used in this section, the term "Secretary" means the Secretary of Agriculture. The term "TLMP" means the Tongass National Forest Land Management Plan, completed March, 1979, and amended Winter 1985-1986. The term "contracts" means the long-term timber sale contracts numbered 12-11-010-1545 and A10fs-1042 between the United States and the Alaska Pulp Corporation, and between the United States and the Ketchikan Pulp Company, respectively.

(b) FINDING.—The Congress hereby finds and declares that it is in the national interest to modify the contracts in order to assure that valuable public resources in the Tongass National Forest are protected and wisely managed. Modification of the long-term timber sale contracts will enhance the balanced use of resources on the forest and promote fair competition within the southeast Alaska timber industry.

(c) UNILATERAL CHANGES.—The contracts are hereby modified to:

(1) assure that all timber sale planning, management requirements and environmental assessment procedures regarding the contracts are consistent with procedures for independent national forest timber sales, pursuant to the National Forest Management Act of 1976 (Public Law 94-588), the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.) and other applicable laws;

(2) eliminate the practice of harvesting a disproportionate amount of old-growth timber by limiting the volume harvested over the rotation in volume classes 6 and 7, as defined in TLMP and supporting documents, so that the proportion of volume harvested in these classes within a contiguous management area does not exceed the proportion of volume currently represented by these classes within the management area;

(3) assure that all timber offered under each contract be substantially harvested within three years or the Secretary shall withhold further offerings pursuant to such contract, unless harvesting has been delayed by third-party litigation;

(4) assure that the Secretary determines the location and size of sale units and the timing of timber harvests;

(5) allow rejection of timber offered under the contracts. Upon rejection of any timber offered, the Secretary may re-offer such timber to any qualified bidder under independent national forest timber sales. If the rejected timber is subsequently sold within 12 months, that amount of timber shall be subtracted from the volume remaining under the appropriate contract;

(6) assure that utility logs offered under the contracts shall be counted against contract volume requirements. As used in this paragraph, the term "utility log" means the same as it does in the official Log Scaling and Grading Rules, Northwest Log Rules Advisory Group, January 1, 1982;

(7) assure that purchaser road credits are provided under the contracts in a manner consistent with independent national forest timber sale procedures;

(8) assure that the price of timber offered under the contracts shall be adjusted to be comparable with that of independent national forest timber sales, with stumpage rates and profitability criteria comparable to those of independent purchasers in competitive sales; and

(9) assure that timber offered under the contracts meets economic criteria consistent with that of independent national forest timber sales.

(d) CERTIFICATION TO CONGRESS.—Notwithstanding any other provision of law, the Secretary is directed to make the necessary revisions to the text of the contracts to reflect the modifications to such contracts made by subsection (c) of this section. The Secretary shall promptly, and in no event later than ninety days after the date of enactment of this Act, transmit the text of the modified contracts to the Congress together with a certification that these revisions are in compliance with the modifications made by subsection (c). Until such time as the Secretary transmits the text of the modified contracts to the Congress, but no later than ninety days after the date of enactment of this Act, the Secretary is authorized to conduct timber sale operations on the Tongass National Forest in accordance with the provisions of the contracts as they existed on the day before the date of enactment of this Act. At such time as the Secretary transmits the modified contracts to Congress, or ninety days after the date of enactment of this Act, whichever is sooner, the Secretary shall conduct timber sale operations on the Tongass National Forest only in accordance with the provisions of the modified contracts.

(e) STUDY.—Within one year after the date of enactment of this Act, the Secretary shall transmit a study to the Committee on Energy and Natural Resources in the Senate and to the Committee on Interior and Insular Affairs in the House of Representatives which includes the following:

(1) an assessment of whether the Secretary can meet the provisions of the National Forest Management Act of 1976 (Public Law 94-588), the Multiple-Use Sustained Yield Act of 1960 (16 U.S.C. 528 et seq.) and other laws applicable to the management of the national forests while providing the volume of timber required by the modified contracts. In conjunction

with such assessment, the Secretary shall also provide such recommendations as the Secretary deems appropriate regarding reductions in the volume of timber required by the modified contracts, and

(2) an analysis of the potential impacts of eliminating the two contract areas provided for in the modified contracts, including, but not limited to, an assessment of the following factors:

(A) the effect on supply and demand, and price of timber within Southeast Alaska;

(B) effects on the availability of timber to purchasers of independent timber sales;

(C) effects on the availability of timber to be owners of the modified contracts; and

(D) effects on fish and wildlife and other non-commodity resources within the Tongass National Forest.

(f) The Secretary shall take such other actions in management of the Tongass National Forest as may be necessary to meet the provisions of subsection (c).

(g) GAO AUDIT.—The Comptroller General of the United States shall, on a continuing basis, audit the actions taken by the Secretary to revise the text of the contracts pursuant to the modifications made pursuant to subsection (c). Within thirty days after the Secretary's transmittal of the contracts and certification to the Energy and Natural Resources in the Senate and to the Committee on Interior and Insular Affairs in the House of Representatives, and in no event later than one hundred and twenty days after the date of enactment of this Act, the Comptroller General shall submit a report to such Committees describing the revisions made by the Secretary to the contracts and stating whether, in the opinion of the Comptroller General, the revised contracts are in compliance with the requirements of this section.

Reports.

DRIFTNET FISHING

SEC. 107. (a) GENERAL.—Section 206 of the Magnuson Fishery Conservation and Management Act (16 U.S.C. 1826) is amended to read as follows:

"SEC. 206. LARGE-SCALE DRIFTNET FISHING.

Driftnet Act Amendments of 1990.

"(a) SHORT TITLE.—This section incorporates and expands upon provisions of the Driftnet Impact Monitoring, Assessment, and Control Act of 1987 and may be cited as the 'Driftnet Act Amendments of 1990'.

"(b) FINDINGS.—The Congress finds that—

"(1) the continued widespread use of large-scale driftnets beyond the exclusive economic zone of any nation is a destructive fishing practice that poses a threat to living marine resources of the world's oceans, including but not limited to the North and South Pacific Ocean and the Bering Sea;

"(2) the use of large-scale driftnets is expanding into new regions of the world's oceans, including the Atlantic Ocean and Caribbean Sea;

"(3) there is a pressing need for detailed and reliable information on the number of seabirds, sea turtles, nontarget fish, and marine mammals that become entangled and die in actively fished large-scale driftnets and in large-scale driftnets that are lost, abandoned, or discarded;

"(4) increased efforts, including reliable observer data and enforcement mechanisms, are needed to monitor, assess, control, and reduce the adverse impact of large-scale driftnet fishing on living marine resources;

"(5) the nations of the world have agreed in the United Nations, through General Assembly Resolution Numbered 44-225, approved December 22, 1989, by the General Assembly, that a moratorium should be imposed by June 30, 1992, on the use of large-scale driftnets beyond the exclusive economic zone of any nation;

"(6) the nations of the South Pacific have agreed to a moratorium on the use of large-scale driftnets in the South Pacific through the Convention for the Prohibition of Fishing with Long Driftnets in the South Pacific, which was agreed to in Wellington, New Zealand, on November 29, 1989; and

"(7) increasing population pressures and new knowledge of the importance of living marine resources to the health of the global ecosystem demand that greater responsibility be exercised by persons fishing or developing new fisheries beyond the exclusive economic zone of any nation.

"(c) POLICY.—It is declared to be the policy of the Congress in this section that the United States should—

"(1) implement the moratorium called for by the United Nations General Assembly in Resolution Numbered 44-225;

"(2) support the Tarawa Declaration and the Wellington Convention for the Prohibition of Fishing with Long Driftnets in the South Pacific; and

"(3) secure a permanent ban on the use of destructive fishing practices, and in particular large-scale driftnets, by persons or vessels fishing beyond the exclusive economic zone of any nation.

"(d) INTERNATIONAL AGREEMENTS.—The Secretary, through the Secretary of State and the Secretary of the department in which the Coast Guard is operating, shall seek to secure international agreements to implement immediately the findings, policy, and provisions of this section, and in particular an international ban on large-scale driftnet fishing. The Secretary, through the Secretary of State, shall include, in any agreement which addresses the taking of living marine resources of the United States, provisions to ensure that—

"(1) each large-scale driftnet fishing vessel of a foreign nation that is party to the agreement, including vessels that may operate independently to develop new fishing areas, which operate beyond the exclusive economic zone of any nation, is included in such agreement;

"(2) each large-scale driftnet fishing vessel of a foreign nation that is party to the agreement, which operates beyond the exclusive economic zone of any nation, is equipped with satellite transmitters which provide real-time position information accessible to the United States;

"(3) statistically reliable monitoring by the United States is carried out, through the use of on-board observers or through dedicated platforms provided by foreign nations that are parties to the agreement, of all target and nontarget fish species, marine mammals, sea turtles, and sea birds entangled or killed by large-scale driftnets used by fishing vessels of foreign nations that are parties to the agreement;

"(4) officials of the United States have the right to board and inspect for violations of the agreement any large-scale driftnet fishing vessels operating under the flag of a foreign nation that is party to the agreement at any time while such vessel is operating in designated areas beyond the exclusive economic zone of any nation;

"(5) all catch landed or transshipped at sea by large-scale driftnet fishing vessels of a foreign nation that is a party to the agreement, and which are operated beyond the exclusive economic zone of any nation, is reliably monitored and documented;

"(6) time and area restrictions are imposed on the use of large-scale driftnets in order to prevent interception of anadromous species;

"(7) all large-scale driftnets used are constructed, insofar as feasible, with biodegradable materials which break into segments that do not represent a threat to living marine resources;

"(8) all large-scale driftnets are marked at appropriate intervals in a manner that conclusively identifies the vessel and flag nation responsible for each such driftnet;

"(9) the taking of nontarget fish species, marine mammals, sea turtles, seabirds, and endangered species or other species protected by international agreements to which the United

States is a party is minimized and does not pose a threat to existing fisheries or the long-term health of living marine resources; and

"(10) definitive steps are agreed upon to ensure that parties to the agreement comply with the spirit of other international agreements and resolutions concerning the use of large-scale driftnets beyond the exclusive economic zone of any nation.

"(e) REPORT.—Not later than January 1, 1991, and every year thereafter until the purposes of this section are met, the Secretary, after consultation with the Secretary of State and the Secretary of the department in which the Coast Guard is operating, shall submit to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Merchant Marine and Fisheries of the House of Representatives a report—

"(1) describing the steps taken to carry out the provisions of this section, particularly subsection (c);

"(2) evaluating the progress of those efforts, the impacts on living marine resources, including available observer data, and specifying plans for further action;

"(3) identifying and evaluating the effectiveness of unilateral measures and multilateral measures, including sanctions, that are available to encourage nations to agree to and comply with this section, and recommendations for legislation to authorize any additional measures that are needed if those are considered ineffective;

"(4) identifying, evaluating, and making any recommendations considered necessary to improve the effectiveness of the law, policy, and procedures governing enforcement of the exclusive management authority of the United States over anadromous species against fishing vessels engaged in fishing beyond the exclusive economic zone of any nation;

"(5) containing a list and description of any new fisheries developed by nations that conduct, or authorize their nationals to conduct, large-scale driftnet fishing beyond the exclusive economic zone of any nation; and

"(6) containing a list of the nations that conduct, or authorize their nationals to conduct, large-scale driftnet fishing beyond the exclusive economic zone of any nation in a manner that diminishes the effectiveness of or is inconsistent with any international agreement governing large-scale driftnet fishing to which the United States is a party or otherwise subscribes.

"(f) CERTIFICATION.—If at any time the Secretary, in consultation with the Secretary of State and the Secretary of the department in which the Coast Guard is operating, identifies any nation that warrants inclusion in the list described under subsection (e)(6), the Secretary shall certify that fact to the President. Such certification shall be deemed to be a certification for the purposes of section 8(a) of the Fishermen's Protective Act of 1967 (22 U.S.C. 1978(a)).

"(g) EFFECT ON SOVEREIGN RIGHTS.—This section shall not serve or be construed to expand or diminish the sovereign rights of the United States, as stated by Presidential Proclamation Numbered 5030, dated March 10, 1983, and reflected in this Act or other existing law.

"(h) DEFINITION.—As used in this section, the term 'living marine resources' includes fish, marine mammals, sea turtles, and seabirds and other waterfowl.".

(b) CONFORMING AMENDMENT.—The entry for section 206 in the table of contents in the first section of the Magnuson Fishery Conservation and Management Act is amended to read as follows:

"Sec. 206. Large-scale driftnet fishing.".

"(4) The Secretary shall, in cooperation with affected interests, commence a program to design, and evaluate the efficacy of, technological devices and other changes in fishing technology for the reduction of incidental mortality of nontarget fishery resources in the course of shrimp trawl fishing activity. Such program shall take into account local conditions and include evaluation of any reduction in incidental mortality, as well as any reduction or increase in the retention of shrimp in the course of normal fishing activity.

(1) within the jurisdiction of a nation having naturally occurring or artificially established anadromous fish populations of the same species as the imported or exported product; or

(2) on the high seas according to an international agreement among nations with jurisdiction over more than 1 percent of the stocks of anadromous fish being so harvested.

(c) BILATERAL OR MULTILATERAL AGREEMENTS.—Efforts undertaken by the Secretary of State pursuant to subsection (a) may, at the discretion of the Secretary, be directed toward achieving either bilateral or multilateral agreements, including trade agreements, whichever the Secretary determines to be most likely to result in the earliest possible date or dates of agreement by those nations which individually have in excess of $1,000,000, or the equivalent, in

import or export trade in anadromous fish and anadromous fish products.

(d) REGULATIONS.—The Secretary of Commerce shall, within 180 days after the date of enactment of this Act, promulgate regulations providing for—

TITLE IX—DOLPHIN PROTECTION CONSUMER INFORMATION

DOLPHIN PROTECTION

Dolphin Protection Consumer Information Act. 16 USC 1835.

SEC. 901. (a) SHORT TITLE.—This section may be cited as the "Dolphin Protection Consumer Information Act".

(b) FINDINGS.—The Congress finds that—

(1) dolphins and other marine mammals are frequently killed in the course of tuna fishing operations in the eastern tropical Pacific Ocean and high seas driftnet fishing in other parts of the world;

(2) it is the policy of the United States to support a worldwide ban on high seas driftnet fishing, in part because of the harmful effects that such driftnets have on marine mammals, including dolphins; and

(3) consumers would like to know if the tuna they purchase is falsely labeled as to the effect of the harvesting of the tuna on dolphins.

(c) DEFINITIONS.—For purposes of this section—

(1) the terms "driftnet" and "driftnet fishing" have the meanings given those terms in section 4003 of the Driftnet Impact Monitoring, Assessment, and Control Act of 1987 (16 U.S.C. 1822 note);

(2) the term "eastern tropical Pacific Ocean" means the area of the Pacific Ocean bounded by 40 degrees north latitude, 40 degrees south latitude, 160 degrees west longitude, and the western coastlines of North, Central, and South America;

(3) the term "label" means a display of written, printed, or graphic matter on or affixed to the immediate container of any article;

(4) the term "Secretary" means the Secretary of Commerce; and

(5) the term "tuna product" means a food item which contains tuna and which has been processed for retail sale, except perishable sandwiches, salads, or other products with a shelf life of less than 3 days.

(d) LABELING STANDARD.—(1) It is a violation of section 5 of the Federal Trade Commission Act for any producer, importer, exporter, distributor, or seller of any tuna product that is exported from or offered for sale in the United States to include on the label of that product the term "Dolphin Safe" or any other term or symbol that falsely claims or suggests that the tuna contained in the product was harvested using a method of fishing that is not harmful to dolphins if the product contains—

(A) tuna harvested on the high seas by a vessel engaged in driftnet fishing; or

(B) tuna harvested in the eastern tropical Pacific Ocean by a vessel using purse seine nets which do not meet the requirements for being considered dolphin safe under paragraph (2).

(2) For purposes of paragraph (1)(B), a tuna product that contains tuna harvested in the eastern tropical Pacific Ocean by a fishing vessel using purse seine nets is dolphin safe if—

(A) the vessel is of a type and size that the Secretary has determined is not capable of deploying its purse seine nets on or to encircle dolphin; or

(B)(i) the product is accompanied by a written statement executed by the captain of the vessel which harvested the tuna certifying that no tuna were caught on the trip in which such tuna were harvested using a purse seine net intentionally deployed on or to encircle dolphin;

(ii) the product is accompanied by a written statement executed by—

(I) the Secretary or the Secretary's designee, or

(II) a representative of the Inter-American Tropical Tuna Commission,

which states that there was an approved observer on board the vessel during the entire trip and that purse seine nets were not intentionally deployed during the trip on or to encircle dolphin; and

(iii) the statements referred to in clauses (i) and (ii) are endorsed in writing by each exporter, importer, and processor of the product.

Fraud.

(e) ENFORCEMENT.—Any person who knowingly and willfully makes a statement or endorsement described in subsection (d)(2)(B) that is false is liable for a civil penalty of not to exceed $100,000

assessed in an action brought in any appropriate district court of the United States on behalf of the Secretary.

(f) REGULATIONS.—The Secretary, in consultation with the Secretary of the Treasury, shall issue regulations to implement this section not later than 6 months after the date of the enactment of this Act, including regulations establishing procedures and requirements for ensuring that tuna products are labeled in accordance with subsection (d).

(g) TREATMENT OF FISH CAUGHT WITH DRIFTNETS.—Section 101(a)(2) of the Marine Mammal Protection Act of 1972 (16 U.S.C. 1371(a)(2)) is amended—

(1) in subparagraph (C) by striking "and" after the semicolon at the end;

(2) in subparagraph (D) by striking the period at the end and inserting "; and"; and

(3) by adding at the end the following:

"(E)(i) except as provided in clause (ii), in the case of fish or products containing fish harvested by a nation whose fishing vessels engage in high seas driftnet fishing, shall require that the government of the exporting nation provide documentary evidence that the fish or fish product was not harvested with a large-scale driftnet in the South Pacific Ocean after July 1, 1991, or in any other water of the high seas after July 1, 1992, and

"(ii) in the case of tuna or a product containing tuna harvested by a nation whose fishing vessels engage in high seas driftnet fishing, shall require that the government of the exporting nation provide documentary evidence that the tuna or tuna product was not harvested with a large-scale driftnet anywhere on the high seas after July 1, 1991.

For purposes of subparagraph (E), the term "driftnet" has the meaning given such term in section 4003 of the Driftnet Impact Monitoring, Assessment, and Control Act of 1987 (16 U.S.C. 1822 note).".

(h) NEGOTIATIONS.—The Secretary of State shall immediately seek, through negotiations and discussions with appropriate foreign governments, to reduce and, as soon as possible, eliminate the practice of harvesting tuna through the use of purse seine nets intentionally deployed to encircle dolphins.

(i) EFFECTIVE DATE.—Subsections (d) and (e) shall take effect 6 months after the date of the enactment of this Act.

Copies of such map and legal description shall be on file and available for public inspection in the Office of the Director, Bureau of Land Management, United States Department of the Interior, and in the appropriate office of the Bureau of Land Management in Arizona.

(d) NO BUFFER ZONES.—The Congress does not intend for the designation of wilderness areas in the State of Arizona pursuant to this title to lead to the creation of protective perimeters or buffer zones around any such wilderness area. The fact that nonwilderness activities or uses can be seen or heard from areas within a wilderness shall not, of itself, preclude such activities or uses up to the boundary of the wilderness area.

(e) FISH AND WILDLIFE.—As provided in paragraph (7) of section 4(d) of the Wilderness Act, nothing in this title or in the Wilderness Act shall be construed as affecting the jurisdiction or responsibilities of the State of Arizona with respect to wildlife and fish on the public lands located in that State.

(f) LIVESTOCK.—(1) Grazing of livestock in wilderness areas designated by this title, where established prior to the date of the enactment of this Act, shall be administered in accordance with section 4(d)(4) of the Wilderness Act and the guidelines set forth in Appendix A of the Report of the Committee on Interior and Insular Affairs to accompany H.R. 2570 of the One Hundred First Congress (H. Rept. 101-405).

(2) The Secretary is directed to review all policies, practices, and regulations of the Bureau of Land Management regarding livestock grazing in Bureau of Land Management administered wilderness areas in Arizona in order to insure that such policies, practices, and regulations fully conform with and implement the intent of Congress regarding grazing in such areas, as such intent is expressed in this title.

(g) WATER.—(1) With respect to each wilderness area designated by this title, Congress hereby reserves a quantity of water sufficient to fulfill the purposes of this title. The priority date of such reserved rights shall be the date of enactment of this Act.

(2) The Secretary and all other officers of the United States shall take steps necessary to protect the rights reserved by paragraph (1), including the filing by the Secretary of a claim for the quantification of such rights in any present or future appropriate stream adjudication in the courts of the State of Arizona in which the United States is or may be joined and which is conducted in accordance with the McCarran Amendment (43 U.S.C. 666). Claims.

(3) Nothing in this title shall be construed as a relinquishment or reduction of any water rights reserved or appropriated by the United States in the State of Arizona on or before the date of enactment of this Act.

(4) The Federal water rights reserved by this title are specific to the wilderness areas located in the State of Arizona designated by this title. Nothing in this title related to reserved Federal water rights shall be construed as establishing a precedent with regard to any future designations, nor shall it constitute an interpretation of any other Act or any designation made pursuant thereto.

(h) WILDLIFE MANAGEMENT.—In furtherance of the purposes and principles of the Wilderness Act, management activities to maintain or restore fish and wildlife populations and the habitats to support such populations may be carried out within wilderness areas designated by this title, where consistent with relevant wilderness management plans, in accordance with appropriate policies and guidelines such as those set forth in Appendix B of the Report of the Committee on Interior and Insular Affairs to accompany H.R. 2570 of the One Hundred First Congress (H. Rept. 101-405).

(i) MILITARY ACTIVITIES.—Nothing in this title shall preclude low level overflights of military aircraft, the designation of new units of special airspace, or the use or establishment of military flight training routes over wilderness areas designated by this title.

(j) MINERAL EXCHANGES.—It is the intent of Congress that private mineral rights within wilderness areas designated by this title be acquired as expeditiously as possible by the Secretary using existing authority to acquire such rights by exchange.

16 USC 1132 note.

(2) The Secretary shall allow only such uses of the conservation area as the Secretary finds will further the purposes for which the conservation area is established. Except where needed for administrative purposes or to respond to an emergency, use of motorized vehicles in the conservation area shall be permitted only on roads specifically designated for such use as part of the management plan prepared pursuant to subsection (g).

(e) WITHDRAWAL.—Subject to valid existing rights, all Federal lands within the conservation area are hereby withdrawn from all forms of entry, appropriation, or disposal under the public land laws; from location, entry, and patent under the United States mining laws; and from disposition under all laws pertaining to mineral and geothermal leasing, and all amendments thereto.

Claims.

(2) The Secretary and all other officers of the United States shall take all steps necessary to protect the right reserved by paragraph (1), including the filing by the Secretary of a claim for the quantification of such right in any present or future appropriate stream adjudication in the courts of the State of Arizona in which the United States is or may be joined and which is conducted in accordance with the McCarran Amendment (43 U.S.C. 666).

(4) The Federal rights reserved by this title are specific to the conservation area located in the State of Arizona designated by this title. Nothing in this title related to reserved Federal water rights shall be construed as establishing a precedent with regard to any future designations, nor shall it constitute an interpretation of any other Act or any designation made pursuant thereto.

Any lands or interests so incorporated shall be managed as part of the conservation area.

(3) No lands or interests therein owned by the State of Arizona or any political subdivision of such State shall be acquired pursuant to this subsection except through donation or exchange, and no lands or interests within the conservation area or the Eagle Creek riparian area shall be acquired from any other party or entity except by donation, exchange, or purchase with the consent of the owner of such lands or interests.

(i) NO BUFFER ZONES.—The Congress does not intend for the establishment of the conservation area to lead to the creation of protective perimeters or buffer zones around the conservation area. The fact that there may be activities or uses on lands outside the conservation area that would not be permitted in the conservation area shall not preclude such activities or uses on such lands up to the boundary of the conservation area to the extent consistent with other applicable law.

(4) The Federal water rights reserved by this title are specific to the wilderness areas located in the State of Arizona designated by this title. Nothing in this title related to reserved Federal water rights shall be construed as establishing a precedent with regard to any future designations, nor shall it constitute an interpretation of any other Act or any designation made pursuant thereto.

(e) NO EFFECT ON COLORADO RIVER DAMS.—Nothing in this title shall be construed to affect the operation of federally owned dams located on the Colorado River in the Lower Basin.

(f) MILITARY ACTIVITIES.—Nothing in this title including the designation as wilderness of lands within the Cabeza Prieta National Wildlife Refuge, shall be construed as—

(1) precluding or otherwise affecting continued low-level overflights by military aircraft over such refuge or the maintenance of existing associated ground instrumentation, in accordance with any applicable interagency agreements in effect on the date of enactment of this Act; or

(2) precluding the Secretary of Defense from entering into new or renewed agreements with the Secretary concerning use by military aircraft of airspace over such refuge or the maintenance of existing associated ground instrumentation, consistent with management of the refuge for the purpose for which such refuge was established and in accordance with laws applicable to the National Wildlife Refuge System.

Fort McDowell Indian Community Water Rights Settlement Act of 1990.
Government contracts.
Claims.

TITLE IV—FORT McDOWELL INDIAN COMMUNITY WATER RIGHTS SETTLEMENT

SECTION 401. SHORT TITLE.

This title may be cited as the "Fort McDowell Indian Community Water Rights Settlement Act of 1990".

SEC. 402. CONGRESSIONAL FINDINGS AND DECLARATIONS.

(a) The Congress finds that—

(1) it is the policy of the United States, in fulfillment of its trust responsibility to Indian tribes, to promote Indian self-determination and economic self-sufficiency, and to settle, wherever possible, the water rights claims of Indian tribes without lengthy and costly litigation;

(2) meaningful Indian self-determination and economic self-sufficiency depend on development of viable Indian reservation economies;

(3) quantification of rights to water and development of facilities needed to utilize tribal water supplies effectively is essential to the development of viable Indian reservation economies, particularly in arid western States;

(4) on September 15, 1903, the United States Government established a reservation for the Fort McDowell Indian Community in Arizona north of the confluence of the Salt and Verde Rivers tributary to the Gila River;

(5) the United States, as trustee for the Community, obtained water entitlements for the Community pursuant to the Kent Decree of 1910; however, continued uncertainty as to the full extent of the Community's entitlement to water has severely limited the Community's access to water and the financial resources necessary to develop its valuable agricultural lands and frustrated its efforts to reduce its dependence on Federal program funding and achieve meaningful self-determination and economic self-sufficiency;

(6) proceedings to determine the full extent and nature of the Community's water rights and damages thereto are currently pending before the United States District Court in Arizona, the United States Claims Court, the Superior Court of the State of Arizona in and for Maricopa County, as part of the General Adjudication of the Gila River System and Source, and before various Federal agencies under the Federal Tort Claims Act;

(7) recognizing that final resolution of pending litigation will take many years and entail great expense to all parties, continue economically and socially damaging limits to the Community's access to water, prolong uncertainty as to the availability

of water supplies and seriously impair the long-term economic planning and development of all parties, the Community and neighboring non-Indian communities have sought to settle disputes over water and reduce the burdens of litigation;

(8) after more than five years of negotiation, which included participation by representatives of the United States Government, the Community and neighboring non-Indian communities of the Salt River Valley, who are all party to the General Adjudication of the Gila River System and Source, the parties have entered into an agreement to resolve all water rights claims between and among themselves, to quantify the Community's entitlement to water, and to provide for the orderly development of the Community's lands;

(9) pursuant to the agreement, the neighboring non-Indian communities will transfer rights to approximately twelve thousand acre-feet of surface water to the Community; provide for the means of firming existing water supplies of the Community, and make substantial additional contributions to carry out the agreement's provisions; and

(10) to advance the goals of Federal Indian policy and to fulfill the trust responsibility of the United States to the Community, it is appropriate that the United States participate in the implementation of the agreement and contribute funds for the rehabilitation and expansion of existing reservation irrigation facilities so as to enable the Community to utilize fully its water entitlements in developing a diverse, efficient reservation economy.

(b) Therefore, the Congress declares that the purposes of this Act are: (1) to approve, ratify and confirm the agreement entered into by the Community and its neighboring non-Indian communities, (2) to authorize and direct the Secretary of the Interior to execute and perform such agreement, and (3) to authorize the actions and appropriations necessary for the United States to fulfill its legal and trust obligations to the Community as provided in the agreement and this Act.

include an addendum substantially in the form of exhibit "10.3.2" to the Agreement and to execute the subcontract as revised. Notwithstanding any other provision of law, the Secretary shall approve the conversions of agricultural water to municipal and industrial uses authorized by the addendum at such time as the conditions authorizing such conversions, as set forth in the addendum, are found to exist.

(c) The lands within the RWCD and the lands within the SRP shall be free from the ownership limitations of Federal reclamation law and all full cost pricing provisions of Federal law.

(d) Neither SRP nor the RWCD shall become subject to the provisions of the Reclamation Reform Act of 1982 (43 U.S.C. 390aa et seq.) by virtue of either of their participation in the settlement or their execution and performance of the Agreement, including, but not limited to, any exchanges provided for in the Agreement.

SEC. 406. OTHER WATER.

(a) The Secretary is authorized and directed to acquire for the Community thirteen thousand nine hundred thirty-three acre-feet of water from one or a combination of the following sources:

(1) CAP water permanently relinquished by the HVID pursuant to contract with the Secretary.

(2) CAP municipal and industrial water and CAP Indian priority water permanently relinquished by the City of Prescott, the Yavapai-Prescott Tribe, the Yavapai-Apache Indian Community of the Camp Verde Reservation, the Cottonwood Water Company or the Camp Verde Water Company pursuant to contract with the Secretary. Any water acquired by the Secretary pursuant to this section shall be acquired with the consent of the contracting entity and shall be assigned to the Community in partial satisfaction of the Secretary's obligation under this section.

(3) In the event that the Secretary cannot acquire thirteen thousand nine hundred and thirty-three acre-feet of water, solely or in combination, from the sources identified in subsections (a)(1) and (a)(2) of this section, then the Secretary is authorized to acquire, from all water resources within the State of Arizona at the disposal of the United States, water in amounts necessary to meet the requirements of this section.

HARQUAHALA VALLEY IRRIGATION DISTRICT

(b) The Secretary is authorized to contract with the HVID for the permanent relinquishment of any portion of HVID's rights to CAP agricultural water.

(1) The Secretary may use HVID water with its original CAP agricultural priority or may convert it, at the rate of one acre-foot per CAP-eligible acre, to a maximum of thirty-three thousand two hundred and sixty-three acre-feet of CAP Indian priority water. Up to thirteen thousand nine hundred and thirty-three acre-feet of such water shall be made available to the Community by contract with the Secretary.

(2) As consideration for the fair value of water relinquished under subsection (b) of this section, the Secretary is authorized:

(i) to credit the HVID with an appropriate share of its outstanding CAP distribution system debt, with such share reflecting the relationship between the amount of HVID

CAP rights acquired by the Secretary and the total CAP allocation of the HVID; and

(ii) to offset the annual repayment requirements of the CAWCD under repayment contract numbered 14-06-W-245 in amounts which total the balance of the fair value of the water acquired and not accounted for under (i) above until such value is exhausted.

(3) In the event that the Secretary acquires all or a part of the CAP water rights of the HVID, the following shall apply:

(i) The Secretary is authorized to transfer title to existing Federal facilities within HVID that are no longer needed for CAP purposes to the CAWCD or to other non-Federal entities.

(ii) The Secretary is authorized to approve or execute any agreements that are necessary to accomplish the transfer of HVID's CAP agricultural water rights to the Secretary for Indian water rights settlement purposes. As a condition of the transfer of such entitlement, the lands which are purchased by non-Federal interests within HVID must be excluded from HVID. Except as provided for in Article 8.7 of the December 1, 1988, contract between the United States and CAWCD, the excluded lands shall not be entitled to a supply of CAP water for agricultural purposes and shall not be subject to the ownership limitations of Federal reclamation law and all full cost pricing provisions of Federal law.

(iii) The agreement implementing the transfer of HVID's CAP agricultural water rights to the Secretary shall provide that any lands which remain in HVID or its successor shall continue to be subject to the ownership limitations of Federal reclamation law and all full cost pricing provisions of Federal law as long as HVID, or its successor, has a Federal repayment obligation for the cost of the CAP distribution system. The agreement implementing the transfer shall provide that lands remaining in HVID, or its successor, will not bear costs of operation, maintenance, and replacement for the CAP distribution system greater than that which they would have in the absence of the transfer of HVID's CAP agricultural water rights.

(4) Water acquired by the Secretary for the Fort McDowell Indian Community pursuant to this subsection shall be delivered to the Community as provided for in the Agreement. Any remaining water acquired by the Secretary pursuant to this subsection (b) shall be used only in the settlement of water rights claims of other Indian tribes having claims to the water in the Salt and Verde River system.

VERDE RIVER WATERSHED

(c) Providing that the Secretary first acquires at least seven thousand acre-feet of CAP water from one or more of the entities named in subsection (a)(2), of this section, the Secretary is authorized to acquire, by purchase from willing sellers, land and water rights in the Big Chino Valley of the Verde River watershed, in an amount sufficient to replace all such water so acquired.

(1) The Secretary shall not acquire any land or water rights in the Big Chino Valley of the Verde River watershed until he has completed a study to determine whether, through the construc-

tion of water diversion, collection, and conveyance facilities to deliver water to a point near Sullivan Lake in Yavapai County, Arizona (hereinafter referred to as the "Sullivan Lake delivery point"), the exercise of such water rights will not have an adverse affect on the flow or the biota of the Verde River and that such exercise is not likely to jeopardize the continued existence of Meda fulgida (spikedace) or any other threatened or endangered species. The Secretary shall make the study required by this paragraph available to the public for inspection and comment upon its completion.

Public information.

(2) The Secretary is authorized to enter into an agreement with the City of Prescott to reimburse the city for not to exceed $800,000 advanced to the Secretary by the city for the purpose of expediting completion of the study required in subsection (c)(1) of this section.

(3) If the Secretary determines, based upon the findings of the study, that the exercise of water rights will not have an adverse effect on the flow or the biota of the Verde River and is not likely to jeopardize the continued existence of Meda fulgida (spikedace) or any other threatened or endangered species, the Secretary shall be authorized to acquire land in the Big Chino Valley and to construct diversion, collection, and conveyance facilities sufficient to deliver the water to the Sullivan Lake delivery point.

(4) The Secretary shall develop and implement a continuous monitoring program to ensure that groundwater pumping from land acquired pursuant to this subsection (c) shall not adversely affect the flow or the biota of the Verde River and to ensure that it will not jeopardize the continued existence of Meda fulgida (spikedace) or any other threatened or endangered species. The program shall be developed prior to and implemented concurrent with the construction of the facilities described in subsection (c)(3) of this section.

(d) If the Secretary acquires the CAP contract or subcontracts of the Yavapai-Apache Indian Community of the Camp Verde Reservation, the Cottonwood Water Company or the Camp Verde Water Company, the Secretary is authorized to construct water conveyance facilities from the Sullivan Lake delivery point to a point downstream on the Verde River. Subject to the study required in subsection (d)(1) of this section and all applicable law, the Secretary is further authorized to place into the Verde River at the point downstream an amount of water sufficient, including all losses, to replace the water assigned by such entity or entities pursuant to this subsection.

(1) The Secretary shall not construct any water conveyance facilities from the Sullivan Lake delivery point to any point downstream on the Verde River to replace water assigned pursuant to subsection (a)(2) of this section, until he has completed a study to determine whether the flow of the Verde River may be augmented without jeopardizing the continued existence of Meda fulgida (spikedace) or any other threatened or endangered species and, if the flow of the Verde may be so augmented, at what point or points downstream from the Sullivan Lake delivery point such augmentation would be most appropriate.

(2) The Secretary shall, in conjunction with arrangements for the delivery of water pursuant to this subsection (d), develop and implement a monitoring program to ensure that the aug-

mentation of the Verde River will not jeopardize the continued existence of Meda fulgida (spikedace) or any other threatened or endangered species.

(e) If the Secretary acquires the CAP contract or subcontract of the Yavapai-Prescott Tribe or the City of Prescott, the Secretary is authorized to construct water conveyance facilities from the Sullivan Lake delivery point to the City of Prescott's existing pumping facilities in the Little Chino Valley, Yavapai County, Arizona. If the Secretary constructs such water conveyance facilities, the City of Prescott shall repay the Secretary for the costs thereof. Nothing in this subsection shall be construed to prevent the City of Prescott from constructing such conveyance facilities itself.

(1) The Secretary shall deliver water to the City of Prescott's existing pumping facilities or to such other point as the Secretary and the City of Prescott may agree, in an amount sufficient, including all losses, to replace the water acquired from the City of Prescott and the Yavapai-Prescott Tribe.

(2) The Secretary is authorized and directed to enter into such agreements as are necessary to ensure that the Yavapai-Prescott Tribe will receive its share of the water to be developed by the Secretary pursuant to this subsection (e). Such agreement shall set forth the cost and other terms of delivery of such water.

(3) The Secretary is authorized and directed, at the request of the Yavapai-Prescott Indian Tribe, to enter into and renew agreements granting the Yavapai-Prescott Indian Tribe long-term grazing privileges on the land acquired by the Secretary pursuant to subsection (a)(2) of this section: *Provided,* That the exercise of such privileges by the Yavapai-Prescott Indian Tribe shall not interfere with the exercise of water rights upon such land except for water reasonably needed by the Yavapai-Prescott Indian Tribe in connection with grazing.

(f) The Secretary is authorized to contract to deliver replacement water to the entities identified in subsections (d) and (e) of this section which relinquish CAP water to the Secretary for the benefit of the Community. The replacement water shall be delivered by the Secretary at the Sullivan Lake delivery point unless otherwise agreed by the Secretary and the entity to receive the water. No replacement water may be delivered to any entity other than those identified in subsection (a)(2) of their section or their agents, and no replacement water may be used directly or indirectly outside Yavapai County, Arizona.

(g) The entities which relinquish CAP water to the Community pursuant to subsection (a)(2) of this section shall not be required to repay costs incurred by the United States pursuant to subsections (c) and (c)(3) of this section. The entities identified in subsection (d) of this section, except for any entity which is an Indian tribe, shall repay the United States so much of the cost of the undertaking identified in subsection (d) as the entities and the United States shall agree. The costs of any undertaking pursuant to this subsection (g) allocated to an Indian tribe shall be nonreimbursable.

(h) The Secretary is authorized and directed to study the sources and cost of the water supplies, other than those identified in this section, that can be used to satisfy the water rights of the Yavapai-Prescott Indian Tribe and of the Yavapai-Apache Indian Community of the Camp Verde Reservation. A separate study shall be made for each tribe. Each study shall be commenced within one hundred

and eighty days after the enactment of this Act and shall be completed within one year after it is commenced. Copies of such studies shall be provided to the Committee on Interior and Insular Affairs of the United States House of Representatives and the Select Committee on Indian Affairs of the United States Senate.

(i) If the Secretary acquires water for the Community pursuant to subsection (a)(2) of this section, then the Secretary shall exclude, for the purpose of determining the allocation and repayment of costs of the CAP as provided in Article 9.3 of Contract No. 14-06-W-245 between the United States and CAWCD dated December 15, 1972, and any amendment or revision thereof, the costs associated with such water from CAWCD's repayment obligation and such costs shall be non-reimbursable.

(j) The Secretary shall, in the exercise of the authorities provided in subsection (a) of this section, comply with all applicable environmental law.

(k) If the Secretary acquires at least seven thousand acre-feet of CAP water from the entities identified in subsection (a)(2) of this section, there is authorized to be appropriated not to exceed $30,000,000 to pay the costs of acquiring the land and water resources identified in subsection (c) of this section and the costs allocable to the construction of diversion, collection, and conveyance facilities described in subsection (c); costs allocable to the construction or diversion, collection, and conveyance facilities shall be adjusted by such amounts, if any, as may be justified by reason of ordinary fluctuations in construction costs as indicated by engineering cost indices applicable to the types of construction involved therein.

(l) There is authorized to be appropriated such sums as may be necessary to provide for the studies required in subsections (c)(1), (d)(1), and (h) of this section and for the monitoring programs described in subsections (c)(4) and (d)(2) of this section. Appropriation authorization.

TITLE XIII

Clarks Fork Wild and Scenic River Designation Act of 1990. 16 USC 1271 note.

SEC. 1301. This Act may be cited as the "Clarks Fork Wild and Scenic River Designation Act of 1990".

SEC. 1302. DESIGNATION OF RIVER.

Section 3(a) of the Wild and Scenic Rivers Act (16 U.S.C. 1274(a)), as amended, is further amended by adding at the end the following:

"( ) CLARKS FORK, WYOMING.—(A) The twenty and five-tenths-mile segment from the west boundary of section 3, township 56 north, range 106 west at the Crandall Creek Bridge downstream to the north boundary of section 13, township 56 north, range 104 west at Clarks Fork Canyon; to be administered by the Secretary of Agriculture as a wild river. Notwithstanding subsection (b), the boundary of the segment shall include all land within four hundred and forty yards from the ordinary high water mark on both sides of the river. No land or interest in land may be acquired with respect to the segment without the consent of the owner thereof. For the purposes of carrying out this paragraph, there is authorized to be appropriated $500,000 for development and $750,000 for the acquisition of land and interests therein.

Appropriation authorization.

"(B) Designation of a segment of the Clarks Fork by this paragraph as a component of the Wild and Scenic Rivers System shall not be utilized in any Federal proceeding, whether concerning a license, permit, right-of-way, or any other Federal action, as a reason or basis to prohibit the development or operation of any water impoundment, diversion facility, or hydroelectric power and transmission facility located entirely downstream from the segment of the river designated by this paragraph: *Provided,* That water from any development shall not intrude upon such segment. Congress finds that development of water impoundments, diversion facilities, and hydroelectric power and transmission facilities located entirely downstream from the segment of the river is not incompatible with its designation as a component of the Wild and Scenic Rivers System.

"(C) The Secretary of Agriculture is directed to apply for the quantification of the water right reserved by the inclusion of a portion of the Clarks Fork in the Wild and Scenic Rivers System in accordance with the procedural requirements of the laws of the State of Wyoming: *Provided,* That, notwithstanding any provision of the laws of the State of Wyoming otherwise applicable to the granting and exercise of water rights, the purposes for which the Clarks Fork is designated, as set forth in this Act and this paragraph, are declared to be beneficial uses and the priority date of such right shall be the date of enactment of this paragraph.

"(D) The comprehensive management plan developed under subsection (d) for the segment designated by this paragraph shall provide for all such measures as may be necessary in the control of fire, insects, and diseases to fully protect the values for which the segment is designated as a wild river.".

"User Reports

"(b)(1)(A) Whenever a device user facility receives or otherwise becomes aware of information that reasonably suggests that there is a probability that a device has caused or contributed to the death of a patient of the facility, the facility shall, as soon as practicable but not later than 10 working days after becoming aware of the information, report the information to the Secretary and, if the identity of the manufacturer is known, to the manufacturer of the device. In the case of deaths, the Secretary may by regulation prescribe a shorter period for the reporting of such information.

"(B) Whenever a device user facility receives or otherwise becomes aware of information that reasonably suggests that there is a probability that a device has caused or contributed to the serious illness of, or serious injury to, a patient of the facility, the facility shall, as soon as practicable but not later than 10 working days after becoming aware of the information, report the information to the manufacturer of the device or to the Secretary if the identity of the manufacturer is not known.

"(C) Each device user facility shall submit to the Secretary on a semi-annual basis a summary of the reports made under subparagraphs (A) and (B). Such summary shall be submitted on January 1 and July 1 of each year. The summary shall be in such form and contain such information from such reports as the Secretary may require and shall include—

"(iii) the name and the address of the manufacturer of such device, and

"(iv) a brief description of the event reported to the manufacturer.

The Secretary may by regulation alter the frequency and timing of reports required by this subparagraph.

"(D) For purposes of subparagraphs (A), (B), and (C), a device user facility shall be treated as having received or otherwise become aware of information with respect to a device of that facility when medical personnel who are employed by or otherwise formally affiliated with the facility receive or otherwise become aware of information with respect to that device in the course of their duties.

"(2) The Secretary may not disclose the identity of a device user facility which makes a report under paragraph (1) except in connection with—

"(A) an action brought to enforce section 301(q),

"(B) a communication to a manufacturer of a device which is the subject of a report under paragraph (1), or

"(C) a disclosure required under subsection (a).

This paragraph does not prohibit the Secretary from disclosing the identity of a device user facility making a report under paragraph (1) or any information in such a report to employees of the Department of Health and Human Services, to the Department of Justice, or to the duly authorized committees and subcommittees of the Congress.

"(3) No report made under paragraph (1) by—

"(A) a device user facility,

"(B) an individual who is employed by or otherwise formally affiliated with such a facility, or

"(C) a physician who is not required to make such a report, shall be admissible into evidence or otherwise used in any civil action involving private parties unless the facility, individual, or physician who made the report had knowledge of the falsity of the information contained in the report.

"(4) A report made under paragraph (1) does not affect any obligation of a manufacturer who receives the report to file a report as required under subsection (a).

"(5) For purposes of this subsection:

"(A) The term 'device user facility' means a hospital, ambulatory surgical facility, nursing home, or outpatient treatment facility which is not a physician's office. The Secretary may by regulation include an outpatient diagnostic facility which is not a physician's office in such term.

"(B) The terms 'serious illness' and 'serious injury' mean illness or injury, respectively, that—

21 USC 360i note.

(b) REGULATIONS.—The Secretary of Health and Human Services shall promulgate regulations to implement section 519(b) of the Federal Food, Drug, and Cosmetic Act, as added by the amendment made by subsection (a) (including a definition of the summary required by paragraph (1)(C) of such section) not later than 12 months after the date of enactment of this Act. In promulgating the

regulations, the Secretary shall minimize the administrative burdens on device user facilities consistent with the need to assure adequate information.

(1) an evaluation of the safety benefits of the requirements,

(2) an evaluation of the burdens placed on the Food and Drug Administration and on device user facilities by the requirements,

SEC. 3. REPORTS.

(a) DISTRIBUTOR REPORTS.—

(1) Section 519(a) (21 U.S.C. 360i(a)) is amended by striking out "and" at the end of paragraph (4), by striking out the period at the end of paragraph (5) and inserting in lieu thereof "; and", and by adding after paragraph (5) the following:

"(6) shall require distributors who submit such reports to submit copies of the reports to the manufacturer of the device for which the report was made.".

Effective date. 21 USC 360i note.

(2) Section 519(a)(6), as added by the amendment made by paragraph (1), shall take effect upon the effective date of final regulations under subsection (c).

(b) CERTIFICATION, DEVICE TRACKING.—

(1) Section 519 (21 U.S.C. 360i), as amended by section 2, is amended by adding at the end the following:

"Certification

"(d) Each manufacturer, importer, and distributor required to make reports under subsection (a) shall submit to the Secretary annually a statement certifying that—

"(1) the manufacturer, importer, or distributor did file a certain number of such reports, or

"(2) the manufacturer, importer, or distributor did not file any report under subsection (a).

"Device Tracking

"(e) Every person who registers under section 510 and is engaged in the manufacture of—

"(1) a device the failure of which would be reasonably likely to have serious adverse health consequences and which is (A) a permanently implantable device, or (B) a life sustaining or life supporting device used outside a device user facility, or

"(2) any other device which the Secretary may designate, shall adopt a method of device tracking.".

(2) Section 520(j) (21 U.S.C. 360j(j)) is amended by striking out "No" and inserting in lieu thereof "Except as provided in section 519(e), no".

Effective date. 21 USC 360i note.

(3) Section 519(e), as added by the amendment made by paragraph (1), shall take effect upon the effective date of final regulations under subsection (c).

(iv) include such other requirements as the Secretary deems necessary for the adoption of an effective user tracking program under section 519(e) of such Act.

(2) Not later than 18 months after the date of the enactment of this Act, the Secretary shall issue final regulations to implement sections 519(a)(6) and 519(e) of the Federal Food, Drug, and Cosmetic Act. If the Secretary does not promulgate such final regulations upon the expiration of such 18 months, the Congress finds that there is good cause for the proposed regulations to be considered as the final regulations without response to comment because the implementation of sections 519(a)(6) and 519(e) of such Act are essential to protect the health of patients who use such devices. Consequently, in such event, the proposed regulations issued under paragraph (1) shall become final regulations as of the expiration of such 18 months. There shall be promptly published in the Federal Register notice of the new status of the proposed regulations.

(3)(A) Notwithstanding section 520(l)(5) of the Federal Food, Drug, and Cosmetic Act, the Secretary of Health and Human Services shall not retain any daily wear soft or daily wear nonhydrophilic plastic contact lens in class III under such Act unless the Secretary finds that it meets the criteria set forth in section 513(a)(1)(C) of such Act. SEC. 402. FINDINGS AND PURPOSE.

(a) FINDINGS.—The Congress, after careful review of the problem of child abuse on Indian reservations and the historical and special relationship of the Federal Government with Indian people,

(1) finds that—

(A) incidents of abuse of children on Indian reservations are grossly underreported;

(B) such underreporting is often a result of the lack of a mandatory Federal reporting law;

(C) multiple incidents of sexual abuse of children on Indian reservations have been perpetrated by persons employed or funded by the Federal Government;

(D) Federal Government investigations of the background of Federal employees who care for, or teach, Indian children are often deficient;

(E) funds spent by the United States on Indian reservations or otherwise spent for the benefit of Indians who are victims of child abuse or family violence are inadequate to meet the growing needs for mental health treatment and counseling for victims of child abuse or family violence and their families; and

(F) there is no resource that is more vital to the continued existence and integrity of Indian tribes than their children and the United States has a direct interest, as trustee, in protecting Indian children who are members of, or are eligible for membership in, an Indian tribe; and

(2) declares that two major goals of the United States are to—

(A) identify the scope of incidents of abuse of children and family violence in Indian country and to reduce such incidents; and

(B) provide funds for mental health treatment for Indian victims of child abuse and family violence on Indian reservations.

(b) PURPOSE.—The purposes of this title are to—

(1) require that reports of abused Indian children are made to the appropriate authorities in an effort to prevent further abuse;

(2) establish a reliable data base for statistical purposes and to authorize a study to determine the need for a central registry for reported incidents of abuse;

(3) authorize such other actions as are necessary to ensure effective child protection in Indian country;

(4) establish the Indian Child Abuse Prevention and Treatment Grant Program to provide funds for the establishment on Indian reservations of treatment programs for victims of child sexual abuse; Establishment.

(5) provide for technical assistance and training related to the investigation and treatment of cases of child abuse and neglect;

(6) establish Indian Child Resource and Family Services Centers in each Bureau of Indian Affairs Area Office which will consist of multi-disciplinary teams of personnel with experience and training in the prevention, identification, investigation, and treatment of child abuse and neglect;

(7) provide for the treatment and prevention of incidents of family violence;

(D) are not necessary for retention in government ownership to serve the public interest or objectives; and

(E) are therefore suitable for disposal through a land exchange; and

(6) given the relative environmental and other values of the lands proposed for exchange in this Act, the land exchange set forth herein is clearly in the public interest and represents the land acquisition strategy that best meets dual public objectives of acquiring the Spearfish Canyon and other South Dakota properties, while at the same time minimizing or eliminating cash outlays by the United States to achieve such objectives.

(b) PURPOSE.—It is the purpose of this Act to authorize, direct, and expedite the consummation of the interstate land exchange and transfer set forth herein in order to further the public interest by acquiring lands in South Dakota with important values for permanent public management and protection and to transfer certain lands to non-Federal ownership in Summit County, Colorado.

SEC. 2. SOUTH DAKOTA-COLORADO LAND EXCHANGE.

(a) IN GENERAL.—If Homestake enters into an exchange agreement with the Secretary of Agriculture, the Secretary shall exchange lands with Homestake as set forth in this Act.

(b) CONVEYANCE BY HOMESTAKE.—Except as otherwise provided in this subsection, Homestake shall convey to the Secretary of Agriculture all right, title and interest of Homestake in certain lands in Lawrence and Meade Counties, South Dakota, that comprise approximately twelve thousand two hundred and seventy-four acres. Such lands include approximately 1,250 acres of riparian lands in Spearfish Canyon that encompass some 20 miles of stream frontage on Spearfish Creek, and are generally depicted on maps entitled "Forest Service-Homestake Land Exchange—South Dakota Lands to Forest Service", numbered A-H, and dated February 1990. In making such conveyance Homestake shall retain:

Mineral resources.

(1) All mineral rights in the above described lands owned, held or controlled by Homestake as of the date of enactment of this Act, except that—

(A) any future exercise of such mineral rights shall be subject to the provisions of 36 CFR 251-15 in effect on the date of enactment of this Act pertaining to surface and other use of lands conveyed to the Secretary of Agriculture where mineral rights are reserved; and

(B) that with respect to mineral rights retained in the approximately 1,250 acres of riparian lands within the watershed of Spearfish Canyon, any exploration and development of such rights shall be limited to methods and activities that do not disturb the surface of such lands. If such rights are ever proposed for exploration and development, the Secretary shall provide Homestake with such access or permits on, through, or under National Forest lands including, but not limited to permits for drilling, tunnels, air shafts, surface vents and other activities incidental to exploration or underground mining operations adjacent to such riparian lands as will reasonably permit exploration and development of the mineral rights without surface disturbance of such riparian lands or impairment of the values of Spearfish Canyon as set forth in this Act.

Watersheds.

(2) All water rights within the watershed of Spearfish Creek and its tributaries owned, held or controlled by Homestake as of the date of enactment of this Act and shall exercise such rights in accordance with applicable Federal, State, and local law and in accordance with any subsequent cooperative agreements or

undertakings entered into between Homestake, the Secretary, and the State of South Dakota for the protection and enhancement of the values of Spearfish Canyon as set forth in this Act.

(3) Cabin sites as indicated on the map numbered "A" referenced in this subsection within the watershed of Spearfish Creek and its tributaries that are intermingled with the lands to be conveyed to the Secretary of Agriculture but that are owned and permitted by Homestake to private parties and such sites will continue to remain in private ownership.

Homestake Mining Company.

(c) CONVEYANCE BY UNITED STATES.—Upon receipt of title to the lands identified in subsection (a) the Secretary shall simultaneously convey to Homestake all right, title, and interest of the United States, except for mineral rights, subject to valid existing rights and existing National Forest improvements, in and to the following:

(1) Approximately eight hundred and sixty-eight acres of lands located in Summit County, Colorado, as generally depicted on maps entitled "Forest Service-Homestake Land Exchange—Lands to Homestake", numbered 1-3 and dated May 1990, and numbered 4-6 and dated March 1990, except that the lands identified on Map number 5 and generally known as the South Frisco Bay parcel shall not be patented to Homestake unless and until the Town of Frisco and Summit County, Colorado, jointly agree to a land use plan for such parcel that emphasizes the use of such parcel for open space and recreation. If the South Frisco Bay parcel is not patented to Homestake within eighteen months after the date of enactment of this Act, the Secretary shall in lieu thereof either pay Homestake cash equalization moneys without regard to the 25 percent limitation contained in subsection 3(a) of this Act or offer Homestake monetary credits pursuant to that subsection, as the Secretary may find preferable.

(2) Not to exceed forty acres of lands located in Lawrence County, South Dakota, which currently comprise National Forest cabin permit sites, as generally depicted on a map entitled "Forest Service-Homestake Land Exchange—Spearfish Cabin Sites to Homestake", dated February 1990, that shall be sold to the current cabin permittees by Homestake at the value of such lands as determined by an appraisal done pursuant to section 3(b) plus any surveying, platting or other administrative costs incurred by Homestake to prepare and sell such lands, upon application by the permittees or their successors in interest. The transfer of any particular cabin site to Homestake pursuant to this subparagraph shall be contingent on the permittee's request of such a transfer. If such a request is not made, the site shall continue to be permitted by the Secretary in accordance with existing rules, regulations, and procedures.

(3) Mineral rights in the lands identified in this subsection shall not be conveyed to Homestake and, subject to valid existing rights, shall be withdrawn from further appropriation under the mining laws and from disposition under all laws pertaining to mineral leasing and all amendments thereto.

(d) RESERVATIONS.—Patents issued by the Secretary of the Interior for the lands conveyed pursuant to section 2(c)(1) shall reserve to the public, for administration by the Secretary of Agriculture or by such State or local units or agencies of government, or by private nonprofit organizations, as the Secretary of Agriculture in consultation

with local planning authorities determines appropriate and qualified to fulfill the purposes of the reservation—

(1) the right of access for fishing use along all streambeds (up to the ordinary high water mark) on streams which flow through the lands conveyed;

(2) a right-of-way for the Colorado Trail along its existing routes through the lands identified on Map 3 of the lands referred to in subsection (c) or along relocated routes as may be identified by the Secretary of Agriculture in consultation with local planning authorities;

(3) a right-of-way for relocation of the existing bicycle path through the lands identified on Map 2 of the lands referred to in subsection (c) to a new route as may be identified by the Secretary of Agriculture in consultation with local planning authorities.

SEC. 3. TERMS AND CONDITIONS OF EXCHANGE.

(a) EQUALIZATION OF VALUES.—The values of the lands to be exchanged pursuant to this Act shall be equal as determined by the Secretary of Agriculture, or if they are not equal, shall be equalized by the payment of money to Homestake or to the Secretary subject to the 25 per centum cash equalization limitation of section 206 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1716). The Secretary shall try to reduce the amount of cash equalization to as small an amount as possible. In lieu of any cash equalization payments which may be due Homestake pursuant to this Act, the Secretary may elect to offer Homestake monetary credits, which shall be considered "moneys received" within the meaning of the Act of May 23, 1908, against any moneys owed the Secretary by Homestake or its agents for timber sales within the Black Hills National Forest. Any cash equalization moneys received by the United States pursuant to this Act shall be considered money received and deposited pursuant to the Act of December 4, 1967, as amended (Public Law 90-171, 16 U.S.C. 484a), commonly known as the Sisk Act. The value of the surface development rights relinquished by Homestake on the 1,250 acres within Spearfish Canyon pursuant to section 2(b)(1)(B) shall be considered for all purposes of law a donation by Homestake to the United States and shall not be required to be appraised for purposes of value equalization or other provisions of this Act.

(b) APPRAISALS.—In order to expedite the consummation of the exchange directed by this Act, Homestake shall arrange and pay for appraisals by a qualified appraiser or appraisers mutually acceptable to Homestake and the Secretary of all lands and interests therein to be included in the exchange for which appraisals are required for purposes of this Act. Such appraisals shall be completed and submitted to the Secretary for approval within sixty days after the enactment of this Act. In the event the Secretary and Homestake are unable to agree to the appraised value of a certain tract or tracts of land to be included in the exchange within one hundred and twenty days after the date of enactment of this Act, the appraisal, appraisals, or appraisal issues in dispute shall be resolved through a process of bargaining or submitted for arbitration according to section 3 of the Federal Land Exchange Facilitation Act of 1988 (Public Law 100-409, 43 U.S.C. 1716(d)). Appraisals of lands in Colorado identified in section 2(c) of this Act for conveyance to Homestake shall not reflect any diminution in value attrib-

utable to any conversion of existing ski area permits into ski area permits pursuant to the National Forest Ski Area Permit Act of 1986 (Public Law 99-522).

(c) EXCHANGE AGREEMENTS.—The Secretary shall attempt, within 60 days after the completion of appraisals under this section, to enter into an exchange agreement with Homestake to consummate the exchange of the specific tracts of lands identified in section 2 of this Act. Unless otherwise specified in the exchange agreement, the tracts shall be exchanged at the earliest possible date after the exchange agreement is signed. It is the intent of Congress that the exchange be completed no later than two hundred and seventy days after the date of enactment of this Act. Homestake Mining Company.

(d) ADDITION TO BLACK HILLS NATIONAL FOREST.—Lands acquired by the United States within or adjacent to the exterior boundaries of the Black Hills National Forest shall be added to and administered as part of the Black Hills National Forest. The Secretary of Agriculture is hereby authorized to modify such boundaries to incorporate such lands upon their acquisition by the United States. Upon their inclusion in the National Forest System such lands shall be managed in accordance with the laws, rules and regulations generally applicable to the National Forest System, unless otherwise specifically provided by this Act.

(e) DEFINITION.—As used in this Act, the term "Homestake" shall mean the Homestake Mining Company of California or its successors or assigns.

SEC. 4. CONVEYANCE TO SUMMIT COUNTY, COLORADO.

(a) IN GENERAL.—Upon payment by Summit County to the Secretary of the sum of $25,000 and execution of an agreement between the County and the United States as specified in paragraph (4), the Secretary of Agriculture shall convey to Summit County, Colorado, all right, title and interest of the United States in approximately four hundred and seventy-seven acres of land as generally depicted on a map numbered 7 and entitled "Summit County Landfill", dated July 1990. Such conveyance shall be subject to the following conditions:

(1) The lands conveyed shall continue to be used for solid waste disposal, expansion of the Summit County landfill, or other authorized purposes of Summit County government. Waste treatment and disposal.

(2) In the event Summit County ever sells, exchanges or otherwise disposes of all or a portion of the lands acquired pursuant to this section, all proceeds of such sale, exchange, or disposal shall accrue to the United States, or the Secretary of Agriculture may elect to reacquire, without compensation to Summit County, any or all portions of such lands that have not been used for solid waste disposal, as the Secretary determines appropriate prior to their sale, exchange, or disposal by the County.

(3) The patent issued by the Secretary of the Interior pursuant to this section shall not contain a reverter provision and under no circumstances shall lands used for solid waste disposal be eligible for reversion to the United States by operation of law after the issuance of such patent.

(4) A conveyance pursuant to this section shall be contingent upon the County executing an agreement with the United States prior to such conveyance, the terms of which are acceptable to the Secretary of Agriculture, and that permanently

holds the United States harmless for liability and indemnifies the United States against all costs arising from the United States ownership or any and all activities, operations (including the storing, handling, and dumping of hazardous materials or substances), or other acts conducted by Summit County or its licensees, employees, agents, successors or assigns on the four hundred and seventy-seven acres transferred pursuant to this Act, whether such activities, operations, or other acts occurred prior to, on, or after the date of enactment of this Act. Such agreement shall be incorporated in the patent issued by the Secretary of the Interior for the land conveyed.

(b) INCORPORATION OF CONDITIONS.—The Secretary of the Interior shall incorporate the conditions specified in subsection (a) of this section in any patent conveying lands to Summit County pursuant to this section.

Public Law 101-633
101st Congress

An Act

To designate certain public lands in the State of Illinois as wilderness, and for other purposes.

Nov. 28, 1990
[H.R. 5428]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Illinois Wilderness Act of 1990. Natural resources.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Illinois Wilderness Act of 1990".

SEC. 2. FINDINGS.

In designating wilderness areas in the Shawnee National Forest pursuant to this Act, the Congress finds, as provided in the Wilderness Act, that such areas—

(1) generally appear to have been affected primarily by the forces of nature, with the imprint of man's work substantially unnoticeable;

(2) have outstanding opportunities for solitude or a primitive and unconfined type of recreation; and

(3) contain ecological, geological, and other features of scientific, educational, and scenic value.

SEC. 3. DESIGNATION OF WILDERNESS AREAS.

16 USC 1132 note.

In furtherance of the purposes of the Wilderness Act (16 U.S.C. 1131 et seq.), the following lands in the Shawnee National Forest in the State of Illinois are hereby designated as wilderness and therefore as components of the National Wilderness Preservation System—

(1) certain lands comprising approximately 5,918 acres, as generally depicted on a map entitled "Bald Knob Wilderness—Proposed", dated July 1990, and which shall be known as the Bald Knob Wilderness;

(2) certain lands comprising approximately 2,866 acres, as generally depicted on a map entitled "Bay Creek Wilderness—Proposed", dated July 1990, and which shall be known as the Bay Creek Wilderness;

(3) certain lands comprising approximately 3,723 acres, as generally depicted on a map entitled "Burden Falls Wilderness—Proposed", dated July 1990, and which shall be known as Burden Falls Wilderness;

(4) certain lands comprising approximately 4,730 acres, as generally depicted on a map entitled "Clear Springs Wilderness—Proposed", dated July 1990, and which shall be known as the Clear Springs Wilderness;

(5) certain lands comprising approximately 3,293 acres, as generally depicted on a map entitled "Garden of the Gods Wilderness—Proposed", dated July 1990, and which shall be known as the Garden of the Gods Wilderness;

(6) certain lands comprising approximately 4,796 acres, as generally depicted on a map entitled "Lusk Creek Wilderness—

Proposed", dated July 1990, and which shall be known as the Lusk Creek Wilderness; and

(7) certain lands comprising approximately 940 acres, as generally depicted on a map entitled "Panther Den Wilderness—Proposed", dated July 1990, and which shall be known as Panther Den Wilderness.

SEC. 4. DESCRIPTION AND MAPS.

As soon as practicable after the enactment of this Act, the Secretary of Agriculture (hereafter in this Act referred to as the "Secretary") shall file maps and legal descriptions of each wilderness area designated by this Act with the Committee on Agriculture, Nutrition, and Forestry of the Senate, and the Committees on Agriculture and Interior and Insular Affairs of the House of Representatives. Each such map and legal description shall have the same force and effect as if included in this Act, except that correction of clerical and typographical errors in such legal descriptions and maps may be made. Each such map and legal description shall be on file and available for public inspection in the office of the Chief of the Forest Service, Department of Agriculture.

SEC. 5. ADMINISTRATION OF WILDERNESS AREAS.

Subject to valid existing rights, each wilderness area designated by this Act shall be administered by the Secretary in accordance with the provisions of the Wilderness Act, except that any reference in such provisions to the effective date of the Wilderness Act shall be deemed to be a reference to the effective date of this Act.

SEC. 6. ADJACENT AREAS.

Congress does not intend that designation of wilderness areas in the State of Illinois lead to the creation of protective perimeters or buffer zones around each wilderness area. The fact that nonwilderness activities or uses can be seen or heard from areas within the wilderness shall not, of itself, preclude such activities or uses up to the boundary of the wilderness areas.

SEC. 7. HUNTING, FISHING, AND TRAPPING.

As provided in section 4(d)(7) of the Wilderness Act, nothing in this Act shall be construed as affecting the jurisdiction or responsibilities of the State of Illinois with respect to wildlife and fish in the national forests in Illinois.

SEC. 8. FIRE, INSECTS, AND DISEASE CONTROL.

As provided in section 4(d)(1) of the Wilderness Act, the Secretary may take such measures as may be necessary to control fire, insects, and diseases within any area designated by this Act.

SEC. 9. CEMETERY ACCESS.

The Secretary shall permit relatives and descendants of those interred in cemeteries located within the wilderness areas designated by this Act, and those accompanying such relatives and descendants, to access and maintain such cemeteries. The Secretary shall regulate such appropriate access and maintenance to minimize any detrimental effects on the wilderness resource or any uses incompatible with the provisions of the Wilderness Act.

SEC. 10. DESIGNATION OF SPECIAL MANAGEMENT AREAS. Mines.

(a) AREA DESIGNATIONS.—(1) Mining and prospecting for fluorspar and associated minerals shall be permitted in the lands in the Shawnee National Forest described in paragraph (2) in accordance with this section and other applicable law. These lands shall also be managed, to the extent practicable, to preserve their potential for future inclusion in the National Wilderness Preservation System.

(2) The lands described in this paragraph are—

(A) certain lands comprising approximately 2,042 acres as generally depicted on a map entitled "East Fork Area—Proposed", dated July 1990, and which shall be known as the East Fork Area; and

(B) certain lands comprising approximately 722 acres as generally depicted on a map entitled "Eagle Creek Area—Proposed", dated July 1990, and which shall be known as the Eagle Creek Area.

(b) TIME LIMITATION.—Prospecting for fluorspar and associated minerals in the lands described in subsection (a)(2) may be allowed for a period of not more than 8 years beginning on the date of enactment of this Act. If significant deposits of fluorspar and associated minerals are found to exist in parts or all of such lands, then mining for those minerals may be allowed for a 20-year period beginning on the date of enactment of this Act.

(c) MINERAL RIGHTS.—Nothing in this section shall be construed to change in any way the process by which mining and prospecting permits and rights are granted on National Forest System lands.

(d) CESSATION OF CERTAIN USES.—Twenty years following the date of enactment of this Act (or 8 years following enactment if no prospecting for fluorspar and associated minerals has been done, as determined by the Secretary), such lands described in subsection (a)(2) shall be designated as wilderness and components of the National Wilderness Preservation System, in furtherance of the purposes of the Wilderness Act (16 U.S.C. 1131 et seq.).

An Act

Nov. 28, 1990
[S. 319]

To effect an exchange of lands between the United States Forest Service and the Salt Lake City Corporation within the State of Utah, and for other purposes.

National forests.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Salt Lake City Watershed Improvement Act of 1990".

SEC. 2. FINDINGS AND PURPOSES.

(a) FINDINGS.—The Congress finds that—

(1) current land ownership patterns in the Northern Canyons of the Wasatch Mountains east of Salt Lake City, Utah, unnecessarily impede efficient land and water resource management activities by the Forest Service and Salt Lake City on their respective lands;

(2) the Act of September 19, 1914, reserved Federal lands in these canyons from mineral entry and set them aside as a municipal water supply reserve for the use and benefit of Salt Lake City;

(3) the 1914 Act further provides for cooperation between the Forest Service and Salt Lake City in managing the lands for municipal water supply purposes; and

(4) a consolidation of National Forest lands and Salt Lake City lands in the canyon vicinities would be in the public interest and would enhance land management and water resource protection opportunities for both Salt Lake City and the Forest Service.

(b) PURPOSES.—The purposes of this Act are to authorize an exchange of Forest Service and Salt Lake City lands and interests to consolidate ownership and facilitate management, to adjust boundaries of the Wasatch National Forest accordingly, and to protect valid existing rights appurtenant to lands and interests subject to conveyance under this Act.

SEC. 3. CONVEYANCE OF LANDS.

(a) IN GENERAL.—The Secretary of Agriculture (hereinafter referred to as the "Secretary") is authorized and directed to convey certain Federal lands and interests managed by the Forest Service within the State of Utah, and generally as depicted on the map entitled "Salt Lake City—Wasatch National Forest Land Exchange" and dated November 1989, for certain lands and interests owned by the Salt Lake City Corporation (hereinafter referred to as the "City") as generally depicted on such map. Such map, along with a legal description of all lands and interests to be conveyed, shall be on file and available for public inspection in the office of the Forest Service, United States Department of Agriculture. The Secretary

shall convey such Federal lands and interests to the City only upon the occurrence of all of the following:

(1) Publication by the Secretary in the Federal Register of a legal description of all Federal lands and interests to be conveyed to the City pursuant to this Act. Federal Register, publication.

(2) Publication by the Secretary in the Federal Register of a legal description of all City lands and interests to be conveyed to the United States pursuant to this Act. Federal Register, publication.

(3) Written notification by the City to the Secretary that the City accepts the provisions of this Act, including subsection (e)(2) and subsection (f).

(4) Delivery to the Secretary by the City of documents of conveyance of the lands and interests to be conveyed by the City.

(5) Delivery to the City and the Secretary of written approval by the Attorney General of the United States of the title to the lands and interests described in documents of conveyance submitted by the City within six months of their receipt by the Secretary.

(b) CONFLICTS.—Conveyances of Federal lands and interests under this Act shall be completed notwithstanding—

(1) the reservations of the Act of September 19, 1914;

(2) withdrawals of lands for the Fort Douglas Military Reservation under the Executive orders dated September 3, 1867, and June 8, 1896, and under the Pickett Act of June 25, 1910 (36 Stat. 847); and

(3) section 206 of the Federal Land Policy and Management Act of 1976 (43 U.S.C. 1716).

(c) ADMINISTRATION.—Lands and interests acquired by the United States pursuant to this Act shall be added to, and administered as part of, the National Forest System under principles of multiple use and sustained yield.

(d) ADJUSTMENT OF BOUNDARIES.—The boundaries of the Wastach National Forest shall be adjusted as depicted on the map referred to in subsection (a) to reflect the conveyance and acquisition of lands pursuant to this Act.

(e) Interim Recognition of Existing Rights.—Valid existings rights appurtenant to lands and interests acquired by the Secretary or acquired by the City pursuant to this Act shall be recognized, protected, and managed by the acquiring government in accordance with the terms and authorities under which such rights were issued until new, similar rights can be issued by the acquiring government—

(1) in the case of lands and interests acquired by the Federal Government, the Secretary shall negotiate with holders of valid existing rights appurtenant to such lands and interests issued by the City and provide such holders of rights new, similar rights under the authority of the Federal Government; and

(2) in the case of lands and interests acquired by the City, the City will negotiate with holders of grazing permits, special use permits (to include easements and rights-of-way), or other valid existing rights appurtenant to such lands and interests issued by the Federal Government and will provide such holders of rights with similar new rights under the authority of the City.

(f) RECOGNITION OF MORMON TRAIL.—The City will recognize the designation of the Mormon Pioneer National Historic Trail over

lands which it acquires pursuant to this Act and will manage its lands in a manner consistent with such designation.

SEC. 4. RESTRICTIONS.

(a) RESTRICTIONS ON ADDITIONAL TRANSFER.—The lands and interests transferred to the City or the United States under this Act shall not be conveyed or otherwise transferred to any person or entity other than the United States.

(b) RESTRICTIONS ON EXPLORATION OR DEVELOPMENT.—The lands and interests transferred to the City or the United States under this Act shall not be subject to any form of mineral, energy, or geothermal exploration or development, and shall be used only for purposes consistent with and conforming to the reservations and purposes of the Act of September 19, 1914, and this Act, except for valid existing rights protected under section 3(e).

Public Law 101-637
101st Congress

An Act

To reauthorize the Asbestos School Hazard Abatement Act of 1984.

Nov. 28, 1990
[S. 1893]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Asbestos School Hazard Abatement Reauthorization Act of 1990.
20 USC 4011 note.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Asbestos School Hazard Abatement Reauthorization Act of 1990".

SEC. 2. FINDINGS AND PURPOSES.

20 USC 4011 note.

(a) FINDINGS.—Congress finds the following:

(1) The Environmental Protection Agency has estimated that more than forty-four thousand school buildings contain friable asbestos, exposing more than fifteen million school children and one million five hundred thousand school employees to unwarranted health hazards.

(2) All elementary and secondary schools are required by the Asbestos Hazard Emergency Response Act to inspect for asbestos, develop an asbestos management plan, and implement such plan.

(3) The Environmental Protection Agency has estimated it will cost local education agencies more than $3,000,000,000 to comply with the Asbestos Hazard Emergency Response Act.

(4) Without a continuing program of information assistance, technical and scientific assistance, training, and financial support, many local educational agencies will be unable to carry out sufficient response actions to prevent the release of asbestos fibers into the air.

(5) Without the provisions of sufficient financial support, the cost to local educational agencies of implementing asbestos response actions may have an adverse impact in their educational mission.

(6) The effective regulation of interstate commerce for the protection of human health and the environment requires the continuation of programs to mitigate hazards of asbestos fibers and materials emitting such fibers.

(b) PURPOSES.—The purposes of this Act are the following:

(1) To direct the Environmental Protection Agency to maintain a program to assist local schools in carrying out their responsibilities under the Asbestos Hazard Emergency Response Act.

(2) To provide continuing scientific and technical assistance to State and local agencies to enable them to identify and abate asbestos health hazards.

(3) To provide financial assistance to State and local agencies for training of persons involved with inspections and abatement of asbestos, for conducting necessary reinspections of school

buildings, and for the actual abatement of asbestos threats to the health and safety of school children or employees.

(4) To assure that no employee of a local educational agency suffers any disciplinary action as a result of calling attention to potential asbestos hazards which may exist in schools.

SEC. 3. AMENDMENTS TO ASBESTOS SCHOOL HAZARD ABATEMENT ACT OF 1984.

Except as otherwise specifically provided, whenever in this Act a section or other provision is amended or repealed, such amendment or repeal shall be considered to be made to that section or other provision of the Asbestos School Hazard Abatement Act of 1984 (20 U.S.C. 4011 et seq.).

(ii) ESTABLISHMENT.—The State of New Jersey shall establish a Passaic River Central Basin Wetlands Bank (hereinafter in this paragraph referred to as the "Wetlands Bank") to be comprised of lands which are acquired before, on, or after the date of the enactment of this Act by the State or any other non-Federal interest and which lie within the Passaic River Central Basin, New Jersey, natural storage area discussed in the report of the Chief Engineers and the Phase I General Design Memorandum.

(iii) USE.—The Wetlands Bank shall be available for mitigation purposes required under Federal or State law with respect to non-Federal activities carried out in the State.

Joint Resolution

To designate the week of November 3, 1990, to November 10, 1990, as "National Week to Commemorate the Victims of the Famine in the Ukraine, 1932-1933", and to commemorate the Ukrainian famine of 1932-1933 and the policies of Russification to suppress Ukrainian identity.

Nov. 28, 1990
[S.J. Res. 329]

Whereas more than 7 million Ukrainians in the Ukrainian Soviet Socialist Republic, one of the member republics of the Union of Soviet Socialist Republics, died of starvation during the years 1932-1933;

Whereas the famine of 1932-1933 was the consequence of deliberate policies of the Government of the Union of Soviet Socialist Republics aiming to destroy the political, cultural, and human rights of the Ukrainian people;

Whereas the economic, social, and political consequences of the famine of 1932-33 are still manifest among the Ukrainian population;

Whereas the Government of the Union of Soviet Socialist Republics, although aware of the famine in Ukraine and having complete control of the entire food supplies within the borders of the Union of Soviet Socialist Republics, nevertheless failed to take relief measures to check the famine of 1932-33 or to alleviate the catastrophic conditions resulting from it;

Whereas the Government of the Union of Soviet Socialist Republics ignored the appeals of international organizations and other nations;

Whereas the United States Commission on the Ukraine Famine, legislated to study and expand world knowledge of the famine, has substantiated, through hearings, eyewitness testimony, and documentation, that the Ukrainian famine of 1932-1933 was the result of a deliberate policy by the Government of the Union of Soviet Socialist Republics, and has published those findings;

Whereas on February 7, 1990, the Central Committee of the Communist Party of Ukraine acknowledged that the Ukrainian famine of 1932-1933 was artificially created by the policies of Stalin and his closest associates;

Whereas the Government of the Union of Soviet Socialist Republics has a long history of suppression of Ukrainian aspirations for the exercise of legitimate human rights and the expression of the cultural and social heritage of Ukrainians; and

Whereas the United States has made intercessions at various times during the course of its history on behalf of citizens of other countries who are oppressed or persecuted by their governments, reflecting the traditional policy of the United States to take cognizance of such abuses of human rights and liberties: Now, therefore, be it

Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That—

(1) the week of November 3, 1990, through November 10, 1990, is designated as "National Week to Commemorate the Victims of the Famine in Ukraine, 1932-1933"; and

(2) the President is requested to issue a proclamation calling on the people of the United States, State and local government agencies, and interested organizations to observe the week with appropriate ceremonies, activities, and programs.

SEC. 2. Congress condemns the systematic disregard for human life, human rights, and liberties that characterized the policies of the Government of the Union of Soviet Socialist Republics during the Ukrainian famine of 1932-1933 and expresses sympathy for the millions of victims of the famine.

SEC. 3. The President is requested to use public and diplomatic channels to call the attention of the world to the policies of the Union of Soviet Socialist Republics that—

(1) caused the slow death by famine of 7 million Ukrainians during 1932 and 1933; and

(2) for much of the modern history of Ukraine, have suppressed Ukrainian aspirations for the exercise of human rights and the expression of the cultural and social heritage of Ukrainians.

SEC. 4. Congress recognizes the reforms underway in Ukraine and strongly urges the Government of the Union of Soviet Socialist Republics to—

(1) continue to move forward toward democratization and restructuring; and

(2) provide a framework for the realization of the legitimate rights and aspirations of the people of Ukraine.

To designate the third week of February 1991 as "National Parents and Teachers Association Week".

Nov. 28, 1990
[S.J. Res. 364]

Whereas the PTA is the oldest and largest parent-teacher association in the Nation;
Whereas studies have proven that parent involvement leads to better education of children;
Whereas the PTA provides the most effective means of participating in children's education;
Whereas the PTA is an organization for all people dedicated to the well-being of children;
Whereas the PTA can teach parents and teachers how to make a difference in the lives of their own, and all, children;

Subtitle F—Preventive Services Regarding Children of Homeless Families or Families at Risk of Homelessness

SEC. 661. CERTAIN PREVENTIVE SERVICES REGARDING CHILDREN OF HOMELESS FAMILIES OR FAMILIES AT RISK OF HOMELESSNESS.

(a) FINDINGS.—Congress finds that— 42 USC 5118 note.

(1) homelessness too often results in the placements of children into out-of-home care, or delays the reunification of such children with their parents; and

(2) strong coordination between child welfare agencies and housing authorities can protect homeless children or children at risk of becoming homeless from abuse and neglect and help prevent the unnecessary separation of children from their families.

(b) AMENDMENT.—The Child Abuse Prevention and Treatment Act (42 U.S.C. 5101 et seq.) (as amended by Public Law 101-126) is amended by adding at the end thereof the following new title:

"TITLE III—CERTAIN PREVENTIVE SERVICES REGARDING CHILDREN OF HOMELESS FAMILIES OR FAMILIES AT RISK OF HOMELESSNESS

"(a) ESTABLISHMENT OF PROGRAM.—The Secretary may make grants to entities described in subsection (b)(1) for the purpose of assisting such entities in demonstrating, with respect to children

whose families are homeless or at risk of becoming homeless, the effectiveness of activities undertaken to prevent—

"(1) the inappropriate separation of such children from their families on the basis of homelessness or other problems regarding the availability and conditions of housing for such families; and

"(2) the abuse and neglect of such children.

"(b) MINIMUM QUALIFICATIONS OF GRANTEES.—

"(1) IN GENERAL.—The entities referred to in subsection (a) are State and local agencies that provide services in geographic areas described in paragraph (2), and that have authority—

"(2) SPECIFICATION OF TRAINING SUBJECTS.—The subjects referred to in paragraph (1) are—

"(A) the relationship between homelessness, and other housing problems, and the initial and prolonged placement of children in out-of-home care;

"(B) the housing-related needs of families with children who are at risk of placement in out-of-home care; and

"(C) resources (including housing-related assistance) that are available to prevent the initial or prolonged placement in out-of-home care of children whose families are homeless or who have other housing problems.

"(b) ADDITIONAL AUTHORIZED ACTIVITIES.—In addition to activities authorized in subsection (a), a grantee under section 301(a) may expend grant funds for—

"(1) the hiring of additional personnel to provide assistance in obtaining appropriate housing—

101st Congress

An Act

To prevent and control infestations of the coastal inland waters of the United States by the zebra mussel and other nonindigenous aquatic nuisance species, to reauthorize the National Sea Grant College Program, and for other purposes.

Nov. 29, 1990
[H.R. 5390]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990.

"TITLE I—AQUATIC NUISANCE PREVENTION AND CONTROL

Subtitle A—General Provisions

"SECTION 1001. SHORT TITLE.

16 USC 4701 note.

"This title may be cited as the "Nonindigenous Aquatic Nuisance Prevention and Control Act of 1990".

"SEC. 1002. FINDINGS AND PURPOSES.

16 USC 4701.

"(a) FINDINGS.—The Congress finds that—

"(1) the discharge of untreated water in the ballast tanks of vessels and through other means results in unintentional introductions of nonindigenous species to fresh, brackish, and saltwater environments;

"(2) when environmental conditions are favorable, nonindigenous species, such as the zebra mussel (Dreissena polymorpha), become established and may disrupt the aquatic environment and economy of affected coastal areas;

"(3) the zebra mussel was unintentionally introduced into the Great Lakes and, if left uncontrolled, is expected to infest over two-thirds of the continental United States through the unintentional transportation of larvae and adults by vessels operating in inland waters; and

"(4) the potential economic disruption to communities affected by the zebra mussel due to its colonization of water pipes, boat hulls and other hard surfaces has been estimated at $5,000,000,000 by the year 2000, and the potential disruption to the diversity and abundance of native fish and other species could be severe.

"(b) PURPOSES.—The purposes of this Act are—

"(1) to prevent unintentional introduction and dispersal of nonindigenous species into waters of the United States through ballast water management and other requirements;

"(2) to coordinate federally conducted, funded or authorized research, prevention control, information dissemination and other activities regarding the zebra mussel and other aquatic nuisance species;

"(3) to develop and carry out environmentally sound control methods to prevent, monitor and control unintentional

introductions of nonindigenous species from pathways other than ballast water exchange;

"(4) to understand and minimize economic and ecological impacts of nonindigenous aquatic nuisance species that become established, including the zebra mussel; and

"(5) to establish a program of research and technology development and assistance to States in the management and removal of zebra mussels.

16 USC 4702.

In determining whether a control program is warranted, the Task Force shall evaluate the need for control (including the projected consequences of no control and less than full control); the technical and biological feasibility and cost-effectiveness of alternative control strategies and actions; whether the benefits of control, including costs avoided, exceed the costs of the program; the risk of harm to non-target organisms and ecosystems, public health and welfare; and such other considerations the Task Force determines appropriate. The Task Force shall also determine the nature and extent of control of target aquatic nuisance species that is feasible and desirable.

"(3) PROGRAMS.—If the Task Force determines in accordance with paragraph (2) that control of an aquatic nuisance species is warranted, the Task Force shall develop a proposed control program to achieve the target level of control. A notice summarizing the proposed action and soliciting comments shall be published in the Federal Register, in major newspapers in the region affected, and in principal trade publications of the industries affected. Within 180 days of proposing a control program, and after consultation with affected governmental and other appropriate entities and taking into consideration other comments received, the Task Force shall complete development of the proposed control program.

Federal Register, publication.

"TITLE II—GREAT LAKES FISH AND WILDLIFE RESTORATION

Great Lakes Fish and Wildlife Restoration Act of 1990.

SECTION 2001. SHORT TITLE.

16 USC 941 note.

"This title may be cited as the "Great Lakes Fish and Wildlife Restoration Act of 1990".

"SEC. 2002. FINDINGS.

16 USC 941.

"The Congress finds and declares the following:

"(1) As the human population of the Great Lakes Basin has expanded to over 35,000,000 people, great demands have been placed on the lakes for use for boating and other recreation, navigation, municipal and industrial water supply, waste disposal, power production, and other purposes. These growing and often conflicting demands exert pressure on the fish and wildlife resources of the Great Lakes Basin, including in the form of contaminants, invasion by nonindigenous species, habitat degradation and destruction, legal and illegal fishery resource harvest levels, and sea lamprey predation.

"(2) The fishery resources of the Great Lakes support recreational fisheries enjoyed by more than 5,000,000 people annually and commercial fisheries providing approximately 9,000 jobs. Together, these fisheries generate economic activity worth more than $4,400,000,000 annually to the United States.

"(3) The availability of a suitable forage base is essential to lake trout, walleye, yellow perch, and other recreational and commercially valuable fishery resources of the Great Lakes Basin. Protecting and restoring productive fish habitat, includ-

ing by protecting water quality, is essential to the successful recovery of Great Lakes Basin fishery resources.

"(4) The Great Lakes Basin contains important breeding and migration habitat for all types of migratory birds. Many migratory bird species dependent on deteriorating Great Lakes Basin habitat have suffered serious population declines in recent years.

"(5) Over 80 percent of the original wetlands in the Great Lakes Basin have been destroyed and such losses continue at a rate of 20,000 acres annually.

"(6) Contaminant burdens in the fish and wildlife resources of the Great Lakes Basin are substantial and the impacts of those contaminants on the life functions of important fish and wildlife resources are poorly understood. Concern over the effects of those contaminants on human health have resulted in numerous public health advisories recommending restricted or no consumption of Great Lakes fish.

"(7) The lower Great Lakes are uniquely different from the upper Great Lakes biologically, physically, and in the degree of human use and shoreline development, and special fishery resource assessments and management activities are necessary to respond effectively to these special circumstances.

16 USC 941a.

"SEC. 2003. PURPOSE.

"The purposes of this Act are—

"(1) to carry out a comprehensive study of the status, and the assessment, management, and restoration needs, of the fishery resources of the Great Lakes Basin;

"(2) to develop proposals to implement recommendations resulting from that study; and

"(3) to provide assistance to the Great Lakes Fisheries Commission, States, Indian Tribes, and other interested entities to encourage cooperative conservation, restoration and management of the fish and wildlife resources and their habitat of the Great Lakes Basin.

Subtitle A—Improving Investigation and Prosecution of Child Abuse Cases

42 USC 13001.

SEC. 211. FINDINGS.

The Congress finds that—

(1) over 2,000,000 reports of suspected child abuse and neglect are made each year, and drug abuse is associated with a significant portion of these;

(4) multidisciplinary child abuse investigation and prosecution programs have been developed that increase the reporting of child abuse cases, reduce the trauma to the child victim, and increase the successful prosecution of child abuse offenders; and

(5) such programs have proven effective, and with targeted Federal assistance, could be duplicated in many jurisdictions throughout the country.

SEC. 212. AUTHORITY OF THE DIRECTOR TO MAKE GRANTS. 42 USC 13002.

(D) Joint initial investigative interviews of child victims by personnel from law enforcement, health, and social service agencies.

(F) A requirement that, to the extent practicable, all interviews and meetings with a child victim occur at the counseling center.

(G) Coordination of each step of the investigation process to minimize the number of interviews that a child victim must attend.

(H) Designation of a director for the multidisciplinary program.

(I) Assignment of a volunteer or staff advocate to each child in order to assist the child and, when appropriate, the child's family, throughout each step of judicial proceedings.

(C) not to exceed $15,000,000 to expand DEA State and local task forces, including payment of State and local overtime equipment and personnel costs;

"(b) DEFINITIONS.—For purposes of subsection (a)—

"(1) the term 'retirement system for Federal military or civilian personnel' means a pension or annuity system for Federal military or civilian personnel of more than one agency, or for some or all of such personnel of a single agency, established by statute or by regulation pursuant to statutory authority; and

"§ 3014. Exempt property

"(a) ELECTION TO EXEMPT PROPERTY.—An individual debtor may, in an action or proceeding under this chapter, elect to exempt property listed in either paragraph (1) or, in the alternative, paragraph (2). If such action or proceeding is against debtors who are husband and wife, one debtor may not elect to exempt property listed in paragraph (1) and the other debtor elect to exempt property listed in paragraph (2). If the debtors cannot agree on the alternative to be elected, they shall be deemed to elect paragraph (1). Such property is either—

"(1) property that is specified in section 522(d) of title 11, as amended from time to time; or

"(2)(A) any property that is exempt under Federal law, other than paragraph (1), or State or local law that is applicable on the date of the filing of the application for a remedy under this chapter at the place in which the debtor's domicile has been located for the 180 days immediately preceding the date of the filing of such application, or for a longer portion of such 180-day period than in any other place; and

"(B) any interest in property in which the debtor had, immediately before the filing of such application, an interest as a tenant by the entirety or joint tenant, or an interest in a community estate, to the extent that such interest is exempt from process under applicable nonbankruptcy law.

"(b) EFFECT ON ASSERTION AND MANNER OF DETERMINATION.—

"(1) STATEMENT.—A court may order the debtor to file a statement with regard to any claimed exemption. A copy of such statement shall be served on counsel for the United States. Such statement shall be under oath and shall describe each item of property for which exemption is claimed, the value and the basis for such valuation, and the nature of the debtor's ownership interest.

"(2) HEARING.—The United States or the debtor, by application to the court in which an action or proceeding under this chapter is pending, may request a hearing on the applicability of any exemption claimed by the debtor. The court shall determine the extent (if any) to which the exemption applies. Unless it is reasonably evident that the exemption applies, the debtor shall bear the burden of persuasion.

"(3) STAY OF DISPOSITION.—Assertion of an exemption shall prevent the United States from selling or otherwise disposing of the property for which such exemption is claimed until the court determines whether the debtor has a substantial nonexempt interest in such property. The United States may not take possession of, dispose of, sell, or otherwise interfere with the debtor's normal use and enjoyment of an interest in property the United States knows or has reason to know is exempt.

"(c) DEBTORS IN JOINT CASES.—Subject to the limitation in subsection (a), this section shall apply separately with respect to each debtor in a joint case.

"§ 3015. Discovery as to debtor's financial condition

"(a) IN GENERAL.—Except as provided in subsection (b), in an action or proceeding under subchapter B or C, the United States may have discovery regarding the financial condition of the debtor in the manner in which discovery is authorized by the Federal Rules of Civil Procedure in an action on a claim for a debt.

"(b) LIMITATION.—Subsection (a) shall not apply with respect to an action or proceeding under subchapter B unless there is a reasonable likelihood that the debt involved exceeds $50,000.

"SUBCHAPTER B—PREJUDGMENT REMEDIES

"Sec.
"3101. Prejudgment remedies.
"3102. Attachment.
"3103. Receivership.
"3104. Garnishment.
"3105. Sequestration.

"§ 3101. Prejudgment remedies

"(a) APPLICATION.—(1) The United States may, in a proceeding in conjunction with the complaint or at any time after the filing of a civil action on a claim for a debt, make application under oath to a court to issue any prejudgment remedy.

"(2) Such application shall be filed with the court and shall set forth the factual and legal basis for each prejudgment remedy sought.

"(3) Such application shall—

"(A) state that the debtor against whom the prejudgment remedy is sought shall be afforded an opportunity for a hearing; and

"(B) set forth with particularity that all statutory requirements under this chapter for the issuance of the prejudgment remedy sought have been satisfied.

"(b) GROUNDS.—Subject to section 3102, 3103, 3104, or 3105, a prejudgment remedy may be granted by any court if the United States shows reasonable cause to believe that—

"(1) the debtor—

"(A) is about to leave the jurisdiction of the United States with the effect of hindering, delaying, or defrauding the United States in its effort to recover a debt;

"(B) has or is about to assign, dispose, remove, conceal, ill treat, waste, or destroy property with the effect of hindering, delaying, or defrauding the United States;

"(C) has or is about to convert the debtor's property into money, securities, or evidence of debt in a manner prejudicial to the United States with the effect of hindering, delaying, or defrauding the United States; or

"(D) has evaded service of process by concealing himself or has temporarily withdrawn from the jurisdiction of the United States with the effect of hindering, delaying, or defrauding the United States; or

"(2) a prejudgment remedy is required to obtain jurisdiction within the United States and the prejudgment remedy sought will result in obtaining such jurisdiction.

"(c) AFFIDAVIT.—(1) The application under subsection (a) shall include an affidavit establishing with particularity to the court's satisfaction facts supporting the probable validity of the claim for a debt and the right of the United States to recover what is demanded in the application.

"(2) The affidavit shall state—

"(A) specifically the amount of the debt claimed by the United States and any interest or costs attributable to such debt;

"(B) one or more of the grounds specified in subsection (b); and

"(C) the requirements of section 3102(b), 3103(a), 3104(a), or 3105(b), as the case may be.

"(3) No bond is required of the United States.

"(d) NOTICE AND HEARING.—(1) On filing an application by the United States as provided in this section, the counsel for the United States shall prepare, and the clerk shall issue, a notice for service on the debtor against whom the prejudgment remedy is sought and on any other person whom the United States reasonably believes, after exercising due diligence, has possession, custody, or control of property affected by such remedy. Three copies of the notice shall be served on each such person. The form and content of such notice shall be approved jointly by a majority of the chief judges of the Federal districts in the State in which the court is located and shall be in substantially the following form:

" 'NOTICE

" 'You are hereby notified that this [property] is being taken by the United States Government ("the Government"), which says that [name of debtor] owes it a debt of $ [amount] for [reason for debt] and has filed a lawsuit to collect this debt. The Government says it must take this property at this time because [recite the pertinent ground or grounds from section 3101(b)]. The Government wants to make sure [name of debtor] will pay if the court determines that this money is owed.

" 'In addition, you are hereby notified that there are exemptions under the law which may protect some of this property from being taken by the Government if [name of debtor] can show that the exemptions apply. Below is a summary of the major exemptions which apply in most situations in the State of [State where property is located]:

" '[A statement summarizing in plain and understandable English the election available with respect to such State under section 3014 and the types of property that may be exempted under each of the alternatives specified in paragraphs (1) and (2) of section 3014(a), and a statement that different property may be so exempted with respect to the State in which the debtor resides.]

" 'If you are [name of debtor] and you disagree with the reason the Government gives for taking your property now, or if you think you do not owe the money to the Government that it says you do, or if you think the property the Government is taking qualifies under one of the above exemptions, you have a right to ask the court to return your property to you.

" 'If you want a hearing, you must promptly notify the court. You must make your request in writing, and either mail it or deliver it in person to the clerk of the court at [address]. If you wish, you may use this notice to request the hearing by checking the box below and mailing this notice to the court clerk. You must also send a copy of your request to the Government at [address], so the Government will know you want a hearing. The hearing will take place within 5 days after the clerk receives your request, if you ask for it to take place that quickly, or as soon after that as possible.

" 'At the hearing you may explain to the judge why you think you do not owe the money to the Government, why you disagree with the reason the Government says it must take your property at this time, or why you believe the property the Government has taken is exempt or belongs to someone else. You may make any or all of these explanations as you see fit.

" 'If you think you live outside the Federal judicial district in which the court is located, you may request, not later than 20 days after you receive this notice, that this proceeding to take your property be transferred by the court to the Federal judicial district in which you reside. You must make your request in writing, and either mail it or deliver it in person to the clerk of the court at [address]. You must also send a copy of your request to the Government at [address], so the Government will know you want the proceeding to be transferred.

" 'Be sure to keep a copy of this notice for your own records. If you have any questions about your rights or about this procedure, you should contact a lawyer, an office of public legal assistance, or the clerk of the court. The clerk is not permitted to give legal advice, but can refer you to other sources of information.'.

"(2) By requesting, at any time before judgment on the claim for a debt, the court to hold a hearing, the debtor may move to quash the order granting such remedy. The court shall hold a hearing on such motion as soon as practicable, or, if requested by the debtor, within 5 days after receiving the request for a hearing or as soon thereafter as possible. The issues at such hearing shall be limited to—

"(A) the probable validity of the claim for the debt for which such remedy was granted and of any defense or claim of exemption asserted by such person;

"(B) compliance with any statutory requirement for the issuance of the prejudgment remedy granted;

"(C) the existence of any ground set forth in subsection (b); and

"(D) the inadequacy of alternative remedies (if any) to protect the interests of the United States.

"(e) ISSUANCE OF WRIT.—On the court's determination that the requirements of subsections (a), (b), and (c) have been met, the court shall issue all process sufficient to put into effect the prejudgment remedy sought.

"§ 3102. Attachment

"(a) PROPERTY SUBJECT TO ATTACHMENT.—(1) Any property in the possession, custody, or control of the debtor and in which the debtor has a substantial nonexempt interest, except earnings, may be attached pursuant to a writ of attachment in an action or proceeding against a debtor on a claim for a debt and may be held as security to satisfy such judgment, and interest and costs, as the United States may recover on such claim.

"(2) The value of property attached shall not exceed the amount by which the sum of the amount of the debt claimed by the United States and the amount of interest and costs reasonably likely to be assessed against the debtor by the court exceeds the aggregate value of the nonexempt interest of the debtor in any—

"(A) property securing the debt; and

"(B) property garnished or in receivership, or income sequestered, under this subchapter.

"(b) AVAILABILITY OF ATTACHMENT.—If the requirements of section 3101 are satisfied, a court shall issue a writ authorizing the United States to attach property in which the debtor has a substantial nonexempt interest, as security for such judgment (and interest and costs) as the United States may recover on a claim for a debt—

"(1) in an action on a contract, express or implied, against the debtor for payment of money, only if the United States shows reasonable cause to believe that—

"(A) the contract is not fully secured by real or personal property; or

"(B) the value of the original security is substantially diminished, without any act of the United States or the person to whom the security was given, below the amount of the debt;

"(2) in an action against the debtor for damages in tort;

"(3) if the debtor resides outside the jurisdiction of the United States; or

"(4) in an action to recover a fine, penalty, or tax.

"(c) ISSUANCE OF WRIT; CONTENTS.—(1) Subject to subsections (a) and (b), a writ of attachment shall be issued by the court directing the United States marshal of the district where property described in subsection (a) is located to attach the property.

"(2) Several writs of attachment may be issued at the same time, or in succession, and sent to different judicial districts until sufficient property is attached.

"(3) The writ of attachment shall contain—

"(A) the date of the issuance of the writ;

"(B) the identity of the court, the docket number of the action, and the identity of the cause of action;

"(C) the name and last known address of the debtor;

"(D) the amount to be secured by the attachment; and

"(E) a reasonable description of the property to be attached.

"(d) LEVY OF ATTACHMENT.—(1) The United States marshal receiving the writ shall proceed without delay to levy upon the property specified for attachment if found within the district. The marshal may not sell property unless ordered by the court.

"(2) In performing the levy, the United States marshal may enter any property owned, occupied, or controlled by the debtor, except that the marshal may not enter a residence or other building unless the writ expressly authorizes the marshal to do so or upon specific order of the court.

"(3) Levy on real property is made by entering the property and posting the writ and notice of levy in a conspicuous place upon the property.

"(4) Levy on personal property is made by taking possession of it. Levy on personal property not easily taken into possession or which cannot be taken into possession without great inconvenience or expense may be made by affixing a copy of the writ and notice of levy on it or in a conspicuous place in the vicinity of it describing in the notice of levy the property by quantity and with sufficient detail to identify the property levied on.

"(5) The United States marshal shall file a copy of the notice of levy in the same manner as provided for judgments in section 3201(a)(1). The United States marshal shall serve a copy of the writ and notice of levy on—

"(A) the debtor against whom the writ is issued; and

"(B) the person who has possession of the property subject to the writ;

in the same manner that a summons is served in a civil action and make the return thereof.

"(e) RETURN OF WRIT; DUTIES OF MARSHAL; FURTHER RETURN.—(1) A United States marshal executing a writ of attachment shall return the writ with the marshal's action endorsed thereon or attached thereto and signed by the marshal, to the court from which it was issued, within 5 days after the date of the levy.

"(2) The return shall describe the property attached with sufficient certainty to identify it and shall state the location where it was attached, the date and time it was attached, and the disposition made of the property. If no property was attached, the return shall so state.

"(3) If the property levied on is claimed, replevied under subsection (j)(2), or sold under section 3007 after the return, the United States marshal shall immediately make a further return to the clerk of the court showing the disposition of the property.

"(4) If personal property is replevied, the United States marshal shall deliver the replevin bond to the clerk of the court to be filed in the action.

"(f) LEVY OF ATTACHMENT AS LIEN ON PROPERTY; SATISFACTION OF LIEN.—(1) A levy on property under a writ of attachment under this section creates a lien in favor of the United States on the property or, in the case of perishable property sold under section 3007, on the proceeds of the sale.

"(2) Such lien shall be ranked ahead of any other security interests perfected after the later of the time of levy and the time a copy of the notice of levy is filed under subsection (d)(5).

"(3) Such lien shall arise from the time of levy and shall continue until a judgment in the action is obtained or denied, or the action is otherwise dismissed. The death of the debtor whose property is attached does not terminate the attachment lien. Upon issuance of a judgment in the action and registration under this chapter, the judgment lien so created relates back to the time of levy.

"(g) REDUCTION OR DISSOLUTION OF ATTACHMENT.—(1) If an excessive or unreasonable attachment is made, the debtor may submit a

motion to the court for a reduction of the amount of the attachment or its dissolution. Notice of such motion shall be served on the United States.

"(2) The court shall order a part of the property to be released, if after a hearing the court finds that the amount of the attachment is excessive or unreasonable or if the attachment is for an amount larger than the sum of the liquidated or ascertainable amount of the debt and the amount of interest and costs likely to be taxed.

"(3) The court shall dissolve the attachment if the amount of the debt is unliquidated and unascertainable by calculation.

"(4) If any property claimed to be exempt is levied on, the debtor may, at any time after such levy, request that the court vacate such levy. If it appears to the court that the property so levied upon is exempt, the court shall order the levy vacated and the property returned to the debtor.

"(h) REPLEVIN OF ATTACHED PROPERTY BY DEBTOR; BOND.—If attached property is not sold before judgment, the debtor may replevy such property or any part thereof by giving a bond approved by counsel for the United States or the court and payable to the United States in double the reasonable value of the property to be replevied or double the value of the claim, whichever is less.

"(i) PRESERVATION OF PERSONAL PROPERTY UNDER ATTACHMENT.—If personal property in custody of the United States marshal under a writ of attachment is not replevied, claimed, or sold, the court may make such order for its preservation or use as appears to be in the interest of the parties.

"(j) JUDGMENT AND DISPOSITION OF ATTACHED PROPERTY.—

"(1) JUDGMENT FOR THE UNITED STATES.—On entry of judgment for the United States, the court shall order the proceeds of personal property sold pursuant to section 3007 to be applied to the satisfaction of the judgment, and shall order the sale of any remaining personal property and any real property levied on to the extent necessary to satisfy the judgment.

"(2) JUDGMENT FOR THE UNITED STATES WHEN PERSONAL PROPERTY REPLEVIED.—With respect to personal property under attachment that is replevied, the judgment which may be entered shall be against the debtor against whom the writ of attachment is issued and also against the sureties on the debtor's replevin bond for the value of the property.

"(3) RESTORATION OF PROPERTY AND EXONERATION OF REPLEVIN BOND.—If the attachment is vacated or if the judgment on the claim for the debt is for the person against whom the writ attachment is issued, the court shall order the property, or proceeds of perishable property sold under section 3007, restored to the debtor and shall exonerate any replevin bond.

"§ 3103. Receivership

"(a) APPOINTMENT OF A RECEIVER.—If the requirements of section 3101 are satisfied, a court may appoint a receiver for property in which the debtor has a substantial nonexempt interest if the United States shows reasonable cause to believe that there is a substantial danger that the property will be removed from the jurisdiction of the court, lost, concealed, materially injured or damaged, or mismanaged.

"(b) POWERS OF RECEIVER.—(1) The appointing court may authorize a receiver—

"(A) to take possession of real and personal property and sue for, collect, and sell obligations upon such conditions and for such purposes as the court shall direct; and

"(B) to administer, collect, improve, lease, repair or sell pursuant to section 3007 such real and personal property as the court shall direct.

A receiver appointed to manage residential or commercial property shall have demonstrable expertise in the management of these types of property.

"(2) Unless expressly authorized by order of the court, a receiver shall have no power to employ attorneys, accountants, appraisers, auctioneers, or other professional persons.

"(c) DURATION OF RECEIVERSHIP.—A receivership shall not continue past the entry of judgment, or the conclusion of an appeal of such judgment, unless the court orders it continued under section 3203(e) or unless the court otherwise directs its continuation.

"(d) ACCOUNTS; REQUIREMENT TO REPORT.—A receiver shall keep written accounts itemizing receipts and expenditures, describing the property and naming the depository of receivership funds. The receiver's accounts shall be open to inspection by any person having an apparent interest in the property. The receiver shall file reports at regular intervals as directed by the court and shall serve the debtor and the United States with a copy thereof. Records.

"(e) MODIFICATION OF POWERS; REMOVAL.—On motion of the receiver or on its own initiative, the court which appointed the receiver may remove the receiver or modify the receiver's powers at any time.

"(f) PRIORITY.—If more than one court appoints a receiver for particular property, the receiver first qualifying under law shall be entitled to take possession, control, or custody of the property.

"(g) COMPENSATION OF RECEIVERS.—(1) A receiver is entitled to such commissions, not exceeding 5 percent of the sums received and disbursed by him, as the court allows unless the court otherwise directs.

Co-owned property shall be subject to garnishment to the same extent as co-owned property is subject to garnishment under the law of the State in which such property is located. A court may issue simultaneous separate writs of garnishment to several garnishees. A writ of garnishment issued under this subsection shall

be continuing and shall terminate only as provided in section 3205(c)(10).

"(b) WRIT.—(1) Subsections (b)(2) and (c) of section 3205 shall apply with respect to garnishment under this section, except that for purposes of this section—

"(2) The amount of income sequestered shall not exceed the amount by which the sum of the amount of the debt claimed by the United States and the amount of interest and costs reasonably likely to be assessed against the debtor by the court exceeds the aggregate value of the nonexempt interest of the debtor in any—

"(A) property securing the debt; and

"(B) property attached, garnished, or in receivership under this subchapter.

"(b) AVAILABILITY OF SEQUESTRATION.—If the requirements of section 3101 are satisfied, a court shall issue a writ authorizing the United States to sequester income from property in which the debtor has a substantial nonexempt interest, as security for such judgment (and interest and costs) as the United States may recover on a claim for a debt—

"(1) in an action on a contract, express or implied, against the debtor for payment of money, only if the United States shows reasonable cause to believe that—

"(A) the contract is not fully secured by real or personal property; or

"(B) the value of the original security is substantially diminished, without any act of the United States or the person to whom the security was given, below the amount of the debt;

"(2) in an action against the debtor for damages in tort;

"(3) if the debtor resides outside the jurisdiction of the United States; or

"(4) in an action to recover a fine, penalty, or tax.

"(c) ISSUANCE OF WRIT; CONTENTS.—(1) Subject to subsections (a) and (b), a writ of sequestration shall be issued by the court directing the United States marshal of the district where income described in subsection (a) is located to sequester the income.

"(3) The writ of sequestration shall contain—

"(A) the date of the issuance of the writ;

"(B) the identity of the court, the docket number of the action, and the identity of the cause of action;

"(C) the name and last known address of the debtor;

"(D) the amount to be secured by the sequestration; and

"(E) a reasonable description of the income to be sequestered.

"(d) EXECUTION OF WRIT.—(1) The United States marshal receiving the writ shall proceed without delay to execute the writ.

"(2) The United States marshal shall file a copy of the notice of sequestration in the same manner as provided for judgments in section 3201(a)(1). The United States marshal shall serve a copy of the writ and notice of sequestration on—

"(3) If sequestered income is claimed after the return, the United States marshal shall immediately make a further return to the clerk of the court showing the disposition of the income.

"(g) REDUCTION OR DISSOLUTION OF SEQUESTRATION.—(1) If an excessive or unreasonable sequestration is made, the debtor may submit a motion to the court for a reduction of the amount of the sequestration or its dissolution. Notice of such motion shall be served on the United States.

"(2) The court shall order a part of the income to be released, if after a hearing the court finds that the amount of the sequestration is excessive or unreasonable or if the sequestration is for an amount larger than the sum of the liquidated or ascertainable amount of the debt and the amount of interest and costs likely to be taxed.

"(3) The court shall dissolve the sequestration if the amount of the debt is unliquidated and unascertainable by calculation.

"(h) PRESERVATION OF INCOME UNDER SEQUESTER.—If personal property in custody of the United States marshal under a writ of sequestration is not claimed, the court may make such order for its preservation or use as appears to be in the interest of the parties.

"(i) JUDGMENT AND DISPOSITION OF SEQUESTERED INCOME.—

(4) RIGHTS AND LIABILITIES OF PURCHASERS.—

"(D) If more proceeds are received from the execution sale than is necessary to satisfy the executions held by the United States marshal, the marshal shall pay the surplus to the judgment debtor.

"(2) FURTHER LEVY IF EXECUTION NOT SATISFIED.—If the proceeds of the execution sale of the property levied on are insufficient to satisfy the execution, the United States marshal shall proceed on the same writ of execution to levy other property of the judgment debtor.

"(C) The name and address of counsel for the United States.

"(D) The last known address of the judgment debtor.

"(E) That the garnishee shall answer the writ within 10 days of service of the writ.

"(F) That the garnishee shall withhold and retain any property in which the debtor has a substantial nonexempt interest and for which the garnishee is or may become indebted to the judgment debtor pending further order of the court.

"(3) SERVICE OF WRIT.—The United States shall serve the garnishee and the judgment debtor with a copy of the writ of garnishment and shall certify to the court that this service was made. The writ shall be accompanied by—

"(A) an instruction explaining the requirement that the garnishee submit a written answer to the writ; and

"(B) instructions to the judgment debtor for objecting to the answer of the garnishee and for obtaining a hearing on the objections.

"(4) ANSWER OF THE GARNISHEE.—In its written answer to the writ of garnishment, the garnishee shall state under oath—

"(A) whether the garnishee has custody, control or possession of such property;

"(B) a description of such property and the value of such interest;

"(C) a description of any previous garnishments to which such property is subject and the extent to which any remaining property is not exempt; and

"(D) the amount of the debt the garnishee anticipates owing to the judgment debtor in the future and whether the

period for payment will be weekly or another specified period.

The garnishee shall file the original answer with the court issuing the writ and serve a copy on the debtor and counsel for the United States.

"(5) OBJECTIONS TO ANSWER.—Within 20 days after receipt of the answer, the judgment debtor or the United States may file a written objection to the answer and request a hearing. The party objecting shall state the grounds for the objection and bear the burden of proving such grounds. A copy of the objection and request for a hearing shall be served on the garnishee and all other parties. The court shall hold a hearing within 10 days after the date the request is received by the court, or as soon thereafter as is practicable, and give notice of the hearing date to all the parties.

"(6) GARNISHEE'S FAILURE TO ANSWER OR PAY.—If a garnishee fails to answer the writ of garnishment or to withhold property in accordance with the writ, the United States may petition the court for an order requiring the garnishee to appear before the court to answer the writ and to so withhold property before the appearance date. If the garnishee fails to appear, or appears and fails to show good cause why the garnishee failed to comply with the writ, the court shall enter judgment against the garnishee for the value of the judgment debtor's nonexempt interest in such property (including nonexempt disposable earnings). The court may award a reasonable attorney's fee to the United States and against the garnishee if the writ is not answered within the time specified therein and a petition requiring the garnishee to appear is filed as provided in this section.

"(7) DISPOSITION ORDER.—After the garnishee files an answer and if no hearing is requested within the required time period, the court shall promptly enter an order directing the garnishee as to the disposition of the judgment debtor's nonexempt interest in such property. If a hearing is timely requested, the order shall be entered within 5 days after the hearing, or as soon thereafter as is practicable.

"(8) PRIORITIES.—Judicial orders and garnishments for the support of a person shall have priority over a writ of garnishment issued under this section. As to any other writ of garnishment or levy, a garnishment issued under this section shall have priority over writs which are issued later in time.

"(9) ACCOUNTING.—(A) While a writ of garnishment is in effect under this section, the United States shall give an annual accounting on the garnishment to the judgment debtor and the garnishee.

"(B) Within 10 days after the garnishment terminates, the United States shall give a cumulative written accounting to the judgment debtor and garnishee of all property it receives under a writ of garnishment. Within 10 days after such accounting is received, the judgment debtor or garnishee may file a written objection to the accounting and a request for hearing. The party objecting shall state grounds for the objection. The court shall hold a hearing on the objection within 10 days after the court receives the request for a hearing, or as soon thereafter as is practicable.

"(10) TERMINATION OF GARNISHMENT.—A garnishment under this chapter is terminated only by—

"(A) a court order quashing the writ of garnishment;

"(B) exhaustion of property in the possesion, custody, or control of the garnishee in which the debtor has a substantial nonexempt interest (including nonexempt disposable earnings), unless the garnishee reinstates or reemploys the judgment debtor within 90 days after the judgment debtor's dismissal or resignation; or

"(C) satisfaction of the debt with respect to which the writ is issued.

"§ 3206. Discharge

"A person who pursuant to an execution or order issued under this chapter by a court pays or delivers to the United States, a United States marshal, or a receiver, money or other personal property in which a judgment debtor has or will have an interest, or so pays a debt such person owes the judgment debtor, is discharged from such debt to the judgment debtor to the extent of the payment or delivery.

"(b) PRESUMPTION.—A debtor who is generally not paying debts as they become due is presumed to be insolvent.

"(c) CALCULATION.—A partnership is insolvent under subsection (a) if the sum of the partnership's debts is greater than the aggregate, at a fair valuation, of—

"(1) all of the partnership's assets; and

"(2) the sum of the excess of the value of each general partner's non-partnership assets over the partner's non-partnership debts.

"(d) ASSETS.—For purposes of this section, assets do not include property that is transferred, concealed, or removed with intent to hinder, delay, or defraud creditors or that has been transferred in a manner making the transfer voidable under this subchapter.

"(e) DEBTS.—For purposes of this section, debts do not include an obligation to the extent such obligation is secured by a valid lien on property of the debtor not included as an asset.

"§ 3303. Value for transfer or obligation

"(a) TRANSACTION.—Value is given for a transfer or an obligation if, in exchange for the transfer or obligation, property is transferred or an antecedent debt is secured or satisfied, but value does not include an unperformed promise made otherwise than in the ordinary course of the promisor's business to furnish support to the debtor or another person.

"(b) REASONABLY EQUIVALENT VALUE.—For the purposes of sections 3304 and 3307, a person gives a reasonably equivalent value if the person acquires an interest of the debtor in an asset pursuant to a regularly conducted, noncollusive foreclosure sale or execution of a power of sale for the acquisition or disposition of such interest upon default under a mortgage, deed of trust, or security agreement.

"(c) PRESENT VALUE.—A transfer is made for present value if the exchange between the debtor and the transferee is intended by them to be contemporaneous and is in fact substantially contemporaneous.

"§ 3304. Transfer fraudulent as to a debt to the United States

"(a) DEBT ARISING BEFORE TRANSFER.—Except as provided in section 3307, a transfer made or obligation incurred by a debtor is fraudulent as to a debt to the United States which arises before the transfer is made or the obligation is incurred if—

"(1)(A) the debtor makes the transfer or incurs the obligation without receiving a reasonably equivalent value in exchange for the transfer or obligation; and

"(B) the debtor is insolvent at that time or the debtor becomes insolvent as a result of the transfer or obligation; or

"(2)(A) the transfer was made to an insider for an antecedent debt, the debtor was insolvent at the time; and

"(B) the insider had reasonable cause to believe that the debtor was insolvent.

"(b) TRANSFERS WITHOUT REGARD TO DATE OF JUDGMENT.—(1) Except as provided in section 3307, a transfer made or obligation incurred by a debtor is fraudulent as to a debt to the United States, whether such debt arises before or after the transfer is made or the obligation is incurred, if the debtor makes the transfer or incurs the obligation—

"(A) with actual intent to hinder, delay, or defraud a creditor; or

"(B) without receiving a reasonably equivalent value in exchange for the transfer or obligation if the debtor—

"(i) was engaged or was about to engage in a business or a transaction for which the remaining assets of the debtor were unreasonably small in relation to the business or transaction; or

"(ii) intended to incur, or believed or reasonably should have believed that he would incur, debts beyond his ability to pay as they became due.

"(2) In determining actual intent under paragraph (1), consideration may be given, among other factors, to whether—

"(A) the transfer or obligation was to an insider;

"(B) the debtor retained possession or control of the property transferred after the transfer;

"(C) the transfer or obligation was disclosed or concealed;

"(D) before the transfer was made or obligation was incurred, the debtor had been sued or threatened with suit;

"(E) the transfer was of substantially all the debtor's assets;

"(F) the debtor absconded;

"(G) the debtor removed or concealed assets;

"(H) the value of the consideration received by the debtor was reasonably equivalent to the value of the asset transferred or the amount of the obligation incurred;

"(I) the debtor was insolvent or became insolvent shortly after the transfer was made or the obligation was incurred;

"(J) the transfer occurred shortly before or shortly after a substantial debt was incurred; and

"(K) the debtor transferred the essential assets of the business to a lienor who transferred the assets to an insider of the debtor.

"§ 3305. When transfer is made or obligation is incurred

"For the purposes of this subchapter:

"(1) A transfer is made—

"(A) with respect to an asset that is real property (other than a fixture, but including the interest of a seller or purchaser under a contract for the sale of the asset), when the transfer is so far perfected that a good-faith purchaser of the asset from the debtor against whom applicable law permits the transfer to be perfected cannot acquire an

interest in the asset that is superior to the interest of the transferee; and

"(B) with respect to an asset that is not real property or that is a fixture, when the transfer is so far perfected that a creditor on a simple contract cannot acquire, otherwise than under this subchapter, a judicial lien that is superior to the interest of the transferee.

"(2) If applicable law permits the transfer to be perfected as approved in paragraph (1) and the transfer is not so perfected before the commencement of an action or proceeding for relief under this subchapter, the transfer is deemed made immediately before the commencement of the action or proceeding.

"(3) If applicable law does not permit the transfer to be perfected as provided in paragraph (1), the transfer is made when it becomes effective between the debtor and the transferee.

"(4) A transfer is not made until the debtor has acquired rights in the asset transferred.

"(5) An obligation is incurred—

"(A) if oral, when it becomes effective between the parties; or

"(B) if evidenced by a writing executed by the obligor, when such writing is delivered to or for the benefit of the obligee.

"§ 3306. Remedies of the United States

"(a) IN GENERAL.—In an action or proceeding under this subchapter for relief against a transfer or obligation, the United States, subject to section 3307 and to applicable principles of equity and in accordance with the Federal Rules of Civil Procedure, may obtain—

"(1) avoidance of the transfer or obligation to the extent necessary to satisfy the debt to the United States;

"(2) a remedy under this chapter against the asset transferred or other property of the transferee; or

"(3) any other relief the circumstances may require.

"(b) LIMITATION.—A claim for relief with respect to a fraudulent transfer or obligation under this subchapter is extinguished unless action is brought—

"(1) under section 3304(b)(1)(A) within 6 years after the transfer was made or the obligation was incurred or, if later, within 2 years after the transfer or obligation was or could reasonably have been discovered by the claimant;

"(2) under subsection (a)(1) or (b)(1)(B) of section 3304 within 6 years after the transfer was made or the obligation was incurred; or

"(3) under section 3304(a)(2) within 2 years after the transfer was made or the obligation was incurred.

"§ 3307. Defenses, liability, and protection of transferee

"(a) GOOD FAITH TRANSFER.—A transfer or obligation is not voidable under section 3304(b) with respect to a person who took in good faith and for a reasonably equivalent value or against any transferee or obligee subsequent to such person.

"(b) LIMITATION.—Except as provided in subsection (d), to the extent a transfer is voidable in an action or proceeding by the United States under section 3306(a)(1), the United States may recover judgment for the value of the asset transferred, but not to

exceed the judgment on a debt. The judgment may be entered against—

"(1) the first transferee of the asset or the person for whose benefit the transfer was made; or

"(2) any subsequent transferee, other than a good faith transferee who took for value or any subsequent transferee of such good-faith transferee.

"(c) VALUE OF ASSET.—For purposes of subsection (b), the value of the asset is the value of the asset at the time of the transfer, subject to adjustment as the equities may require.

"(d) RIGHTS OF GOOD FAITH TRANSFEREES AND OBLIGEES.—Notwithstanding voidability of a transfer or an obligation under this subchapter, a good-faith transferee or obligee is entitled, to the extent of the value given the debtor for the transfer or obligation, to—

"(1) a lien on or a right to retain any interest in the asset transferred;

"(2) enforcement of any obligation incurred; or

"(3) a reduction in the amount of the liability on the judgment.

"(e) EXCEPTIONS.—A transfer is not voidable under section 3304(a) or section 3304(b)(2) if the transfer results from—

"(1) termination of a lease upon default by the debtor when the termination is pursuant to the lease and applicable law; or

"(2) enforcement of a security interest in compliance with article 9 of the Uniform Commercial Code or its equivalent in effect in the State where the property is located.

"(f) LIMITATION OF VOIDABILITY.—A transfer is not voidable under section 3304(a)(2)—

"(1) to the extent the insider gives new value to or for the benefit of the debtor after the transfer is made unless the new value is secured by a valid lien;

"(2) if made in the ordinary course of business or financial affairs of the debtor and the insider; or

"(3) if made pursuant to a good-faith effort to rehabilitate the debtor and the transfer secured both present value given for that purpose and an antecedent debt of the debtor.

"§ 3308. Supplementary provision

"Except as provided in this subchapter, the principles of law and equity, including the law merchant and the law relating to principal and agent, estoppel, laches, fraud, misrepresentation, duress, coercion, mistake, insolvency, or other validating or invalidating cause shall apply to actions and proceedings under this subchapter.".

Public Law 101-648
101st Congress

An Act

To establish a framework for the conduct of negotiated rulemaking by Federal agencies.

Nov. 29, 1990
[S. 303]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

Negotiated Rulemaking Act of 1990.
5 USC 581 note.

SECTION 1. SHORT TITLE.

This Act may be cited as the "Negotiated Rulemaking Act of 1990".

SEC. 2. FINDINGS.

5 USC 581 note.

The Congress makes the following findings:

(1) Government regulation has increased substantially since the enactment of the Administrative Procedure Act.

(2) Agencies currently use rulemaking procedures that may discourage the affected parties from meeting and communicating with each other, and may cause parties with different interests to assume conflicting and antagonistic positions and to engage in expensive and time-consuming litigation over agency rules.

(3) Adversarial rulemaking deprives the affected parties and the public of the benefits of face-to-face negotiations and cooperation in developing and reaching agreement on a rule. It also deprives them of the benefits of shared information, knowledge, expertise, and technical abilities possessed by the affected parties.

(4) Negotiated rulemaking, in which the parties who will be significantly affected by a rule participate in the development of the rule, can provide significant advantages over adversarial rulemaking.

(5) Negotiated rulemaking can increase the acceptability and improve the substance of rules, making it less likely that the affected parties will resist enforcement or challenge such rules in court. It may also shorten the amount of time needed to issue final rules.

(6) Agencies have the authority to establish negotiated rulemaking committees under the laws establishing such agencies and their activities and under the Federal Advisory Committee Act (5 U.S.C. App.). Several agencies have successfully used negotiated rulemaking. The process has not been widely used by other agencies, however, in part because such agencies are unfamiliar with the process or uncertain as to the authority for such rulemaking.

SEC. 3. NEGOTIATED RULEMAKING PROCEDURE.

(a) IN GENERAL.—Chapter 5 of title 5, United States Code, is amended by adding at the end the following new subchapter:

"SUBCHAPTER IV—NEGOTIATED RULEMAKING PROCEDURE

"§ 581. Purpose

"The purpose of this subchapter is to establish a framework for the conduct of negotiated rulemaking, consistent with section 553 of this title, to encourage agencies to use the process when it enhances the informal rulemaking process. Nothing in this subchapter should be construed as an attempt to limit innovation and experimentation with the negotiated rulemaking process or with other innovative rulemaking procedures otherwise authorized by law.

"§ 582. Definitions

"For the purposes of this subchapter, the term—

"(1) 'agency' has the same meaning as in section 551(1) of this title;

"(2) 'consensus' means unanimous concurrence among the interests represented on a negotiated rulemaking committee established under this subchapter, unless such committee—

"(A) agrees to define such term to mean a general but not unanimous concurrence; or

"(B) agrees upon another specified definition;

"(3) 'convener' means a person who impartially assists an agency in determining whether establishment of a negotiated rulemaking committee is feasible and appropriate in a particular rulemaking;

"(4) 'facilitator' means a person who impartially aids in the discussions and negotiations among the members of a negotiated rulemaking committee to develop a proposed rule;

"(5) 'interest' means, with respect to an issue or matter, multiple parties which have a similar point of view or which are likely to be affected in a similar manner;

"(6) 'negotiated rulemaking' means rulemaking through the use of a negotiated rulemaking committee;

"(7) 'negotiated rulemaking committee' or 'committee' means an advisory committee established by an agency in accordance with this subchapter and the Federal Advisory Committee Act to consider and discuss issues for the purpose of reaching a consensus in the development of a proposed rule;

"(8) 'party' has the same meaning as in section 551(3) of this title;

"(9) 'person' has the same meaning as in section 551(2) of this title;

"(10) 'rule' has the same meaning as in section 551(4) of this title; and

"(11) 'rulemaking' means 'rule making' as that term is defined in section 551(5) of this title.

"§ 583. Determination of need for negotiated rulemaking committee

"(a) DETERMINATION OF NEED BY THE AGENCY.—An agency may establish a negotiated rulemaking committee to negotiate and develop a proposed rule, if the head of the agency determines that the use of the negotiated rulemaking procedure is in the public interest. In making such a determination, the head of the agency shall consider whether—

(d) TEMPORARY DISQUALIFICATION FROM CERTAIN PUBLIC WELFARE ASSISTANCE.—Aliens provided the benefits of this section by virtue of their relation to a legalized alien described in subsection (b)(2)(A) or (b)(2)(B) shall be ineligible for public welfare assistance in the same manner and for the same period as the legalized alien is ineligible for such assistance under section 245A(h) or 210(f), respectively, of the Immigration and Nationality Act.

(e) EXCEPTION FOR CERTAIN ALIENS.—An alien is not eligible for the benefits of this section if the Attorney General finds that—

SEC. 302. TEMPORARY PROTECTED STATUS.

(a) IN GENERAL.—The Immigration and Nationality Act is amended by inserting after section 244 the following new section:

"TEMPORARY PROTECTED STATUS

8 USC 1254a.

"SEC. 244A. (a) GRANTING OF STATUS.—

"(1) IN GENERAL.—In the case of an alien who is a national of a foreign state designated under subsection (b) and who meets the requirements of subsection (c), the Attorney General, in accordance with this section—

"(A) may grant the alien temporary protected status in the United States and shall not deport the alien from the United States during the period in which such status is in effect, and

"(B) shall authorize the alien to engage in employment in the United States and provide the alien with an 'employment authorized' endorsement or other appropriate work permit.

"(2) DURATION OF WORK AUTHORIZATION.—Work authorization provided under this section shall be effective throughout the period the alien is in temporary protected status under this section.

"(3) NOTICE.—

"(A) Upon the granting of temporary protected status under this section, the Attorney General shall provide the alien with information concerning such status under this section.

"(B) If, at the time of initiation of a deportation proceeding against an alien, the foreign state (of which the alien is a national) is designated under subsection (b), the Attorney General shall promptly notify the alien of the temporary protected status that may be available under this section.

"(C) If, at the time of designation of a foreign state under subsection (b), an alien (who is a national of such state) is in a deportation proceeding under this title, the Attorney General shall promptly notify the alien of the temporary protected status that may be available under this section.

"(D) Notices under this paragraph shall be provided in a form and language that the alien can understand.

"(4) TEMPORARY TREATMENT FOR ELIGIBLE ALIENS.—

"(A) In the case of an alien who can establish a prima facie case of eligibility for benefits under paragraph (1), but for the fact that the period of registration under subsection (c)(1)(A)(iv) has not begun, until the alien has had a reasonable opportunity to register during the first 30 days of such period, the Attorney General shall provide for the benefits of paragraph (1).

"(B) In the case of an alien who establishes a prima facie case of eligibility for benefits under paragraph (1), until a final determination with respect to the alien's eligibility for

such benefits under paragraph (1) has been made, the alien shall be provided such benefits.

"(5) CLARIFICATION.—Nothing in this section shall be construed as authorizing the Attorney General to deny temporary protected status to an alien based on the alien's immigration status or to require any alien, as a condition of being granted such status, either to relinquish nonimmigrant or other status the alien may have or to execute any waiver of other rights under this Act. The granting of temporary protected status under this section shall not be considered to be inconsistent with the granting of nonimmigrant status under this Act.

"(b) DESIGNATIONS.—

"(1) IN GENERAL.—The Attorney General, after consultation with appropriate agencies of the Government, may designate any foreign state (or any part of such foreign state) under this subsection only if—

"(A) the Attorney General finds that there is an ongoing armed conflict within the state and, due to such conflict, requiring the return of aliens who are nationals of that state to that state (or to the part of the state) would pose a serious threat to their personal safety;

"(B) the Attorney General finds that—

"(i) there has been an earthquake, flood, drought, epidemic, or other environmental disaster in the state resulting in a substantial, but temporary, disruption of living conditions in the area affected,

"(ii) the foreign state is unable, temporarily, to handle adequately the return to the state of aliens who are nationals of the state, and

"(iii) the foreign state officially has requested designation under this subparagraph; or

"(C) the Attorney General finds that there exist extraordinary and temporary conditions in the foreign state that prevent aliens who are nationals of the state from returning to the state in safety, unless the Attorney General finds that permitting the aliens to remain temporarily in the United States is contrary to the national interest of the United States.

A designation of a foreign state (or part of such foreign state) under this paragraph shall not become effective unless notice of the designation (including a statement of the findings under this paragraph and the effective date of the designation) is published in the Federal Register. In such notice, the Attorney General shall also state an estimate of the number of nationals of the foreign state designated who are (or within the effective period of the designation are likely to become) eligible for temporary protected status under this section and their immigration status in the United States. Federal Register, publication.

"(2) EFFECTIVE PERIOD OF DESIGNATION FOR FOREIGN STATES.—The designation of a foreign state (or part of such foreign state) under paragraph (1) shall—

"(A) take effect upon the date of publication of the designation under such paragraph, or such later date as the Attorney General may specify in the notice published under such paragraph, and

"(B) shall remain in effect until the effective date of the termination of the designation under paragraph (3)(B).

For purposes of this section, the initial period of designation of a foreign state (or part thereof) under paragraph (1) is the period, specified by the Attorney General, of not less than 6 months and not more than 18 months.

"(3) PERIODIC REVIEW, TERMINATIONS, AND EXTENSIONS OF DESIGNATIONS.—

"(A) PERIODIC REVIEW.—At least 60 days before end of the initial period of designation, and any extended period of designation, of a foreign state (or part thereof) under this section the Attorney General, after consultation with appropriate agencies of the Government, shall review the conditions in the foreign state (or part of such foreign state) for which a designation is in effect under this subsection and shall determine whether the conditions for such designation under this subsection continue to be met. The Attorney General shall provide on a timely basis for the publication of notice of each such determination (including the basis for the determination, and, in the case of an affirmative determination, the period of extension of designation under subparagraph (C)) in the Federal Register.

Federal Register, publication.

"(B) TERMINATION OF DESIGNATION.—If the Attorney General determines under subparagraph (A) that a foreign state (or part of such foreign state) no longer continues to meet the conditions for designation under paragraph (1), the Attorney General shall terminate the designation by publishing notice in the Federal Register of the determination under this subparagraph (including the basis for the determination). Such termination is effective in accordance with subsection (d)(3), but shall not be effective earlier than 60 days after the date the notice is published or, if later, the expiration of the most recent previous extension under subparagraph (C).

Federal Register, publication.

"(C) EXTENSION OF DESIGNATION.—If the Attorney General does not determine under subparagraph (A) that a foreign state (or part of such foreign state) no longer meets the conditions for designation under paragraph (1), the period of designation of the foreign state is extended for an additional period of 6 months (or, in the discretion of the Attorney General, a period of 12 or 18 months).

"(4) INFORMATION CONCERNING PROTECTED STATUS AT TIME OF DESIGNATIONS.—At the time of a designation of a foreign state under this subsection, the Attorney General shall make available information respecting the temporary protected status made available to aliens who are nationals of such designated foreign state.

"(5) REVIEW.—

"(A) DESIGNATIONS.—There is no judicial review of any determination of the Attorney General with respect to the designation, or termination or extension of a designation, of a foreign state under this subsection.

"(B) APPLICATION TO INDIVIDUALS.—The Attorney General shall establish an administrative procedure for the review of the denial of benefits to aliens under this subsection. Such procedure shall not prevent an alien from asserting protection under this section in deportation proceedings if the alien demonstrates that the alien is a national of a state designated under paragraph (1).

"(c) ALIENS ELIGIBLE FOR TEMPORARY PROTECTED STATUS.—

"(1) IN GENERAL.—

"(A) NATIONALS OF DESIGNATED FOREIGN STATES.—Subject to paragraph (3), an alien, who is a national of a state designated under subsection (b)(1), meets the requirements of this paragraph only if—

"(i) the alien has been continuously physically present in the United States since the effective date of the most recent designation of that state;

"(ii) the alien has continuously resided in the United States since such date as the Attorney General may designate;

"(iii) the alien is admissible as an immigrant, except as otherwise provided under paragraph (2)(A), and is not ineligible for temporary protected status under paragraph (2)(B); and

"(iv) to the extent and in a manner which the Attorney General establishes, the alien registers for the temporary protected status under this section during a registration period of not less than 180 days.

"(B) REGISTRATION FEE.—The Attorney General may require payment of a reasonable fee as a condition of registering an alien under subparagraph (A)(iv) (including providing an alien with an 'employment authorized' endorsement or other appropriate work permit under this section). The amount of any such fee shall not exceed $50.

"(2) ELIGIBILITY STANDARDS.—

"(A) WAIVER OF CERTAIN GROUNDS FOR INADMISSIBILITY.—In the determination of an alien's admissibility for purposes of subparagraph (A)(iii) of paragraph (1)—

"(i) the provisions of paragraphs (14), (15), (20), (21), (25), and (32) of section 212(a) shall not apply;

"(ii) except as provided in clause (iii), the Attorney General may waive any other provision of section 212(a) in the case of individual aliens for humanitarian purposes, to assure family unity, or when it is otherwise in the public interest; but

"(iii) the Attorney General may not waive—

"(I) paragraphs (9) and (10) (relating to criminals) of such section,

"(II) paragraph (23) of such section (relating to drug offenses), except for so much of such paragraph as relates to a single offense of simple possession of 30 grams or less of marijuana,

"(III) paragraphs (27) and (29) of such section (relating to national security), or

"(IV) paragraph (33) of such section (relating to those who assisted in the Nazi persecution).

"(B) ALIENS INELIGIBLE.—An alien shall not be eligible for temporary protected status under this section if the Attorney General finds that—

"(i) the alien has been convicted of any felony or 2 or more misdemeanors committed in the United States, or

"(ii) the alien is described in section 243(h)(2).

"(3) WITHDRAWAL OF TEMPORARY PROTECTED STATUS.—The Attorney General shall withdraw temporary protected status granted to an alien under this section if—

"(A) the Attorney General finds that the alien was not in fact eligible for such status under this section,

"(B) except as provided in paragraph (4) and permitted in subsection (f)(3), the alien has not remained continuously physically present in the United States from the date the alien first was granted temporary protected status under this section, or

"(C) the alien fails, without good cause, to register with the Attorney General annually, at the end of each 12-month period after the granting of such status, in a form and manner specified by the Attorney General.

"(4) TREATMENT OF BRIEF, CASUAL, AND INNOCENT DEPARTURES AND CERTAIN OTHER ABSENCES.—

"(A) For purposes of paragraphs (1)(A)(i) and (3)(B), an alien shall not be considered to have failed to maintain continuous physical presence in the United States by virtue of brief, casual, and innocent absences from the United States, without regard to whether such absences were authorized by the Attorney General.

"(B) For purposes of paragraph (1)(A)(ii), an alien shall not be considered to have failed to maintain continuous residence in the United States by reason of a brief, casual, and innocent absence described in subparagraph (A) or due merely to a brief temporary trip abroad required by emergency or extenuating circumstances outside the control of the alien.

"(5) CONSTRUCTION.—Nothing in this section shall be construed as authorizing an alien to apply for admission to, or to be admitted to, the United States in order to apply for temporary protected status under this section.

"(6) CONFIDENTIALITY OF INFORMATION.—The Attorney General shall establish procedures to protect the confidentiality of information provided by aliens under this section.

"(d) DOCUMENTATION.—

"(1) INITIAL ISSUANCE.—Upon the granting of temporary protected status to an alien under this section, the Attorney General shall provide for the issuance of such temporary documentation and authorization as may be necessary to carry out the purposes of this section.

"(2) PERIOD OF VALIDITY.—Subject to paragraph (3), such documentation shall be valid during the initial period of designation of the foreign state (or part thereof) involved and any extension of such period. The Attorney General may stagger the periods of validity of the documentation and authorization in order to provide for an orderly renewal of such documentation and authorization and for an orderly transition (under paragraph (3)) upon the termination of a designation of a foreign state (or any part of such foreign state).

"(3) EFFECTIVE DATE OF TERMINATIONS.—If the Attorney General terminates the designation of a foreign state (or part of such foreign state) under subsection (b)(3)(B), such termination shall only apply to documentation and authorization issued or renewed after the effective date of the publication of notice of the determination under that subsection (or, at the Attorney General's option, after such period after the effective date of the determination as the Attorney General determines to be appropriate in order to provide for an orderly transition).

"(4) DETENTION OF THE ALIEN.—An alien provided temporary protected status under this section shall not be detained by the Attorney General on the basis of the alien's immigration status in the United States.

"(e) RELATION OF PERIOD OF TEMPORARY PROTECTED STATUS TO SUSPENSION OF DEPORTATION.—With respect to an alien granted temporary protected status under this section, the period of such status shall not be counted as a period of physical presence in the United States for purposes of section 244(a), unless the Attorney General determines that extreme hardship exists. Such period shall not cause a break in the continuity of residence of the period before and after such period for purposes of such section.

"(f) BENEFITS AND STATUS DURING PERIOD OF TEMPORARY PROTECTED STATUS.—During a period in which an alien is granted temporary protected status under this section—

"(1) the alien shall not be considered to be permanently residing in the United States under color of law;

"(2) the alien may be deemed ineligible for public assistance by a State (as defined in section 101(a)(36)) or any political subdivision thereof which furnishes such assistance;

"(3) the alien may travel abroad with the prior consent of the Attorney General; and

"(4) for purposes of adjustment of status under section 245 and change of status under section 248, the alien shall be considered as being in, and maintaining, lawful status as a nonimmigrant.

"(g) EXCLUSIVE REMEDY.—Except as otherwise specifically provided, this section shall constitute the exclusive authority of the Attorney General under law to permit aliens who are or may become otherwise deportable or have been paroled into the United States to remain in the United States temporarily because of their particular nationality or region of foreign state of nationality.

"(h) LIMITATION ON CONSIDERATION IN THE SENATE OF LEGISLATION ADJUSTING STATUS.—

"(1) IN GENERAL.—Except as provided in paragraph (2), it shall not be in order in the Senate to consider any bill, resolution, or amendment that—

"(A) provides for adjustment to lawful temporary or permanent resident alien status for any alien receiving temporary protected status under this section, or

"(B) has the effect of amending this subsection or limiting the application of this subsection.

"(2) SUPERMAJORITY REQUIRED.—Paragraph (1) may be waived or suspended in the Senate only by the affirmative vote of three-fifths of the Members duly chosen and sworn. An affirmative vote of three-fifths of the Members of the Senate duly chosen and sworn shall be required in the Senate to sustain an appeal of the ruling of the Chair on a point of order raised under paragraph (1).

"(3) RULES.—Paragraphs (1) and (2) are enacted—

"(A) as an exercise of the rulemaking power of the Senate and as such they are deemed a part of the rules of the Senate, but applicable only with respect to the matters described in paragraph (1) and supersede other rules of the Senate only to the extent that such paragraphs are inconsistent therewith; and

"(B) with full recognition of the constitutional right of the Senate to change such rules at any time, in the same manner as in the case of any other rule of the Senate.

"(i) ANNUAL REPORT AND REVIEW.—

"(1) ANNUAL REPORT.—Not later than March 1 of each year (beginning with 1992), the Attorney General, after consultation with the appropriate agencies of the Government, shall submit a report to the Committees on the Judiciary of the House of Representatives and of the Senate on the operation of this section during the previous year. 101st Congress

An Act

To provide for the appointment of additional Federal circuit and district judges, and for other purposes.

Dec. 1, 1990
[H.R. 5316]

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That this Act may be cited as the "Judicial Improvements Act of 1990".

Judicial Improvements Act of 1990.

28 USC 1 note.

TITLE I—CIVIL JUSTICE EXPENSE AND DELAY REDUCTION PLANS

Civil Justice Reform Act of 1990.

SEC. 101. SHORT TITLE.

28 USC 1 note.

This title may be cited as the "Civil Justice Reform Act of 1990".

SEC. 102. FINDINGS.

28 USC 471 note.

The Congress makes the following findings:

(1) The problems of cost and delay in civil litigation in any United States district court must be addressed in the context of the full range of demands made on the district court's resources by both civil and criminal matters.

(2) The courts, the litigants, the litigants' attorneys, and the Congress and the executive branch, share responsibility for cost and delay in civil litigation and its impact on access to the courts, adjudication of cases on the merits, and the ability of the civil justice system to provide proper and timely judicial relief for aggrieved parties.

(3) The solutions to problems of cost and delay must include significant contributions by the courts, the litigants, the litigants' attorneys, and by the Congress and the executive branch.

(4) In identifying, developing, and implementing solutions to problems of cost and delay in civil litigation, it is necessary to achieve a method of consultation so that individual judicial officers, litigants, and litigants' attorneys who have developed techniques for litigation management and cost and delay reduction can effectively and promptly communicate those techniques to all participants in the civil justice system.

(5) Evidence suggests that an effective litigation management and cost and delay reduction program should incorporate several interrelated principles, including—

(A) the differential treatment of cases that provides for individualized and specific management according to their needs, complexity, duration, and probable litigation careers;

(B) early involvement of a judicial officer in planning the progress of a case, controlling the discovery process, and scheduling hearings, trials, and other litigation events;

(C) regular communication between a judicial officer and attorneys during the pretrial process; and

49-139 O - 90 (650)

(D) utilization of alternative dispute resolution programs in appropriate cases.

(6) Because the increasing volume and complexity of civil and criminal cases imposes increasingly heavy workload burdens on judicial officers, clerks of court, and other court personnel, it is necessary to create an effective administrative structure to ensure ongoing consultation and communication regarding effective litigation management and cost and delay reduction principles and techniques.

"(C) controlling the extent of discovery and the time for completion of discovery, and ensuring compliance with appropriate requested discovery in a timely fashion; and

"(2) a requirement that each party be represented at each pretrial conference by an attorney who has the authority to bind that party regarding all matters previously identified by the court for discussion at the conference and all reasonably related matters;

"(3) a requirement that all requests for extensions of deadlines for completion of discovery or for postponement of the trial be signed by the attorney and the party making the request;

"§ 106A. Rights of certain authors to attribution and integrity

"(a) RIGHTS OF ATTRIBUTION AND INTEGRITY.—Subject to section 107 and independent of the exclusive rights provided in section 106, the author of a work of visual art—

"(1) shall have the right—

"(A) to claim authorship of that work, and

"(B) to prevent the use of his or her name as the author of any work of visual art which he or she did not create;

"(2) shall have the right to prevent the use of his or her name as the author of the work of visual art in the event of a distortion, mutilation, or other modification of the work which would be prejudicial to his or her honor or reputation; and

"(3) subject to the limitations set forth in section 113(d), shall have the right—

"(A) to prevent any intentional distortion, mutilation, or other modification of that work which would be prejudicial to his or her honor or reputation, and any intentional distortion, mutilation, or modification of that work is a violation of that right, and

"(B) to prevent any destruction of a work of recognized stature, and any intentional or grossly negligent destruction of that work is a violation of that right.

"(b) SCOPE AND EXERCISE OF RIGHTS.—Only the author of a work of visual art has the rights conferred by subsection (a) in that work, whether or not the author is the copyright owner. The authors of a joint work of visual art are coowners of the rights conferred by subsection (a) in that work.

"(c) EXCEPTIONS.—(1) The modification of a work of visual art which is a result of the passage of time or the inherent nature of the materials is not a distortion, mutilation, or other modification described in subsection (a)(3)(A).

"(2) The modification of a work of visual art which is the result of conservation, or of the public presentation, including lighting and placement, of the work is not a destruction, distortion, mutilation, or other modification described in subsection (a)(3) unless the modification is caused by gross negligence.

"(3) The rights described in paragraphs (1) and (2) of subsection (a) shall not apply to any reproduction, depiction, portrayal, or other use of a work in, upon, or in any connection with any item described in subparagraph (A) or (B) of the definition of 'work of visual art' in section 101, and any such reproduction, depiction, portrayal, or other use of a work is not a destruction, distortion, mutilation, or other modification described in paragraph (3) of subsection (a).

"(d) DURATION OF RIGHTS.—(1) With respect to works of visual art created on or after the effective date set forth in section 610(a) of the Visual Artists Rights Act of 1990, the rights conferred by subsection (a) shall endure for a term consisting of the life of the author.

Such instrument shall specifically identify the work, and uses of that work, to which the waiver applies, and the waiver shall apply only to the work and uses so identified. In the case of a joint work prepared by two or more authors, a waiver of rights under this paragraph made by one such author waives such rights for all such authors.

"(2). Ownership of the rights conferred by subsection (a) with respect to a work of visual art is distinct from ownership of any copy

of that work, or of a copyright or any exclusive right under a copyright in that work. Transfer of ownership of any copy of a work of visual art, or of a copyright or any exclusive right under a copyright, shall not constitute a waiver of the rights conferred by subsection (a). Except as may otherwise be agreed by the author in a written instrument signed by the author, a waiver of the rights conferred by subsection (a) with respect to a work of visual art shall not constitute a transfer of ownership of any copy of that work, or of ownership of a copyright or of any exclusive right under a copyright in that work.".
